Council Meeting of
August 1, 2006

SUPPLEMENTAL

Honorable Mayor and Members
of the City Council
City Hall
Torrance, California

Members of the Council:

SUBJECT: Supplemental to Agenda Item 11A Community Outreach Meetings

The following two items are being added for your consideration of Agenda Item 11A.

North Torrance High School Library does not have permanent air conditiioning. If there is an unusually hot October, City staff can provide portable fans to circulate the air at no significant cost. If portable air conditioning units are desired, the General Services Department estimates rental for that evening would cost up to $5,000.

Attached is the proposed layout of the room. The drawing is not to scale but will provide a general idea of how the room will be set-up.

Respectfully submitted,

LeRoy J. Jackson
City Manager
