### **BACKGROUND AND ANALYSIS**

The American Cancer Society Relay For Life is a life-changing event that gives everyone in communities across the globe a chance to celebrate the lives of people who have battled cancer, remember loved ones lost, and fight back against the disease. At Relay, teams of people camp out at a local high school, park, or fairground and take turns walking or running around a track or path. Each team is asked to have a representative on the track at all times during the event. Because cancer never sleeps, Relays are overnight events up to 24 hours in length.

The 11<sup>th</sup> Annual Relay For Life of Torrance will be held at South High School on April 28-29, 2012. The 2011-2012 Youth Council would like to participate as a group in this annual event, and post a sign with the name Youth Council and the city seal on it.

At their meeting of April 4, 2012 it was discussed and approved (attachment A) that Youth Council will participate in the 2012 Relay for Life, 24 Hour Relay.

Respectfully submitted,

TORRANCE YOUTH COUNCIL
