**Subject:** Display of American Flag

<http://www.senate.gov/reference/resources/pdf/RL30243.pdf>

Can you please forward this to your colleagues prior to next weeks City Council meeting if you believe it will help. Please read last chapter under "Background"

"The Flag Code itself, however, suggests a general rule by which practices involving the flag may be fairly tested: "No disrespect should be shown to the flag of the United States of America." Therefore, actions not specifically included in the Code may be deemed acceptable as long as proper respect is shown. "

11/19/2012

Thank you

James Duarte
