**ORDINANCE NO. 3686**

**AN ORDINANCE OF THE CITY COUNCIL OF THE  
CITY OF TORRANCE ADDING A NEW ARTICLE 12 OF  
CHAPTER 1 OF DIVISION 6 RELATING TO OVERSIZED  
VEHICLES AND TRAILERS.**

The City Council of the City of Torrance does ordain as follows:

**SECTION 1**

The City Council finds as follows:

- (a) Parking Oversized Vehicles and Trailers on residential streets interferes with the normal flow of vehicle traffic, especially on narrow streets.
- (b) Parking Oversized Vehicles and Trailers create visual obstacles and reduce the lines of sight for driveways, intersections, and traffic signage and thereby reduce sidewalk and street safety for motorists, pedestrians, and bicyclists.
- (c) Bicyclists are exposed to greater traffic dangers as they go around these larger parked vehicles.
- (d) Fire and Emergency access is reduced especially on narrow streets and cul-de-sacs.
- (e) Oversized Vehicles and Trailers, especially Recreational Vehicles, hold large quantities of gasoline and propane – a highly volatile fire hazard.
- (f) Oversized Vehicles and Trailers parked on residential streets negatively affect the aesthetics and livability of the community and residents. Noise levels are increased with generator and engine usage, and annoying odors are emitted from sewage holding tanks.
- (g) Detached Trailers parked on the street constitute a safety hazard as they do not have an independent braking system.
- (h) Current parking regulations are inadequate to address the problem of parking Oversized Vehicles and Trailers on residential streets.
- (i) Persons owning Oversized Vehicles and Trailers should have the opportunity to have limited use of streets for short periods of time.

**SECTION 2**

A new Article 12 of Chapter 1 of Division 6 of the Torrance Municipal Code is added to read in its entirety as follows:

## Ordinance Summary

### TORRANCE CITY COUNCIL ORDINANCE NO. 3686

On \_\_\_\_\_, 2006, the City Council of the City of Torrance adopted Ordinance No. 3686 adding Article 12 to Chapter 1 of Division 6 of the Torrance Municipal Code relating to Oversized Vehicles and Trailers.

The ordinance deals with the parking of oversized vehicles and trailers on public streets and highways in the City of Torrance. The purpose of the ordinance is to give owners of Oversized Vehicles and Trailers the opportunity, for a limited time, to park the Oversized Vehicle or Trailer on a public street or highway adjacent to their residence, and to allow an out-of-town visitor who owns an Oversized Vehicle or Trailer to park on a public street or highway adjacent to the residence which the out-of-town visitor is visiting for a limited time period.

The term Oversized Vehicle means any vehicle, as defined by Section 670 of the California Vehicle Code, or combination of vehicles, which exceeds twenty feet in length, seven feet in width, or eight feet in height, exclusive of projecting lights or devices allowed by Section 35109 or 35110 of the California Vehicle Code, as may be amended. Oversized Vehicle does not include pickup trucks or sport utility vehicles, which are less than twenty-five feet in length and eighty-two inches in height. The term Trailer means a trailer, semitrailer, camp trailer (including tent trailers), unmounted camper, or trailer coach as defined in Sections 242, 243, 550, 630, 635, and 636 of the California Vehicle Code, or fifth-wheel travel trailer, as defined in Section 324 of the Vehicle Code.

The ordinance provides that no person shall park an oversized vehicle or trailer on a public street or highway unless one of the following exceptions apply: (a) Oversized Vehicles or Trailers for which an Oversized Vehicle Parking Permit has been issued for a resident or an out-of-town visitor, in accordance with Section 61.12.050; (b) Oversized Vehicle or Trailers displaying a valid Oversized Vehicle Handicap Parking Permit issued pursuant to Section 61.12.090; (c) Oversized Vehicles or Trailers parked or left standing as a result of a mechanical breakdown so as to allow the performance of emergency repairs on the vehicle for a period not to exceed seventy-two hours; (d) Commercial vehicles making pickups or delivery of goods, wares or merchandise, or while providing services to a residence, including, but not limited to yard maintenance, pool care and maintenance, repair and construction services; (e) Tow trucks and similar vehicles that are in the course of providing services; (f) Public or utility vehicles and trailers that are in the course of providing services; (g) Any public emergency vehicle.

The ordinance provides for the issuance of Oversized Vehicle Parking Permits. The ordinance divides the permits into two different categories: (1) Torrance residents who register their Oversize Vehicle or Trailer with the City of Torrance, and (2) out-of-town visitors.

Residents will receive a City of Torrance Oversized Vehicle Resident Registration Sticker upon completion of a City application, which requires proof of residency and a copy of the DMV registration showing that the Oversized Vehicle is registered in the City of Torrance. Oversized Vehicle Resident Registration Stickers will be issued upon payment of a fee that will be set by Resolution of the City Council.

Residents must complete a City application to obtain Oversized Vehicle Parking Permit. The permit will be issued upon payment of a fee to be set by Resolution of the City Council. An Oversized Vehicle Parking Permit shall be valid for a period not to exceed 24 hours. An Oversized Vehicle Parking Permit will be valid from 12:00 p.m. one day until 11:59 a.m. the next day. The ordinance allows for 24 permits in a 90 day period, with no more than 3 consecutive Oversized Vehicle Permits allowed. The ordinance allows for a maximum of 96 permits in a calendar year. The resident must park their Oversized Vehicle or Trailer directly in front of (or the side of the property if it is a corner lot) their property. The Police Chief or his designee is authorized to set up an Oversized Vehicle Parking call-in phone number or internet processing system.

Out-of-town visitors will be required to complete a City application that provides the location being visited, dates, and permission from the property owner. An Oversized Vehicle Parking Permit shall be valid for a period not to exceed 24 hours. An Oversized Vehicle Parking Permit will be valid from 12:00 p.m. one day until 11:59 a.m. the next day. The Oversized Vehicle Parking Permit (Out-of-Town Visitor Permits) will be tied to the residence being visited. An applicant may request a maximum of 14 consecutive one-day permits at one time. In no event shall any person, residence and/or designated Oversized Vehicle or Trailer be issued more than 30 Oversized Vehicle Parking Permits in any calendar year. The out-of-town visitor must park their Oversized Vehicle or Trailer directly in front of (or the side of the property if it is a corner lot) the property of the resident that they are visiting. The permit will be issued upon payment of a fee to be set by Resolution of the City Council.

The ordinance also provides for the issuance of Oversized Vehicle Handicap Parking Permits if the applicant meets the eligibility requirements.

The ordinance provides that no person shall run electrical cords, extension cords, hoses, cables, or other items across, above or on the parkway or sidewalk from a residential or commercial property to an Oversized Vehicle or Trailer parked on a public street.

The ordinance provides grounds for denial of permits by the Police Chief. Any violation of this ordinance will subject the violator to citation, towing, or both. Every person who displays a fraudulent, forged, altered, or counterfeit Oversized Vehicle Parking Permit, an Oversized Vehicle Handicap Parking Permit, or an Oversized Vehicle Resident Registration Sticker with the intent to avoid compliance with this Article is guilty of a misdemeanor. Every person who forges, alters, or counterfeits an Oversized Vehicle Parking Permit, an Oversized Vehicle Handicap Parking Permit, or an Oversized Vehicle Resident Registration Sticker is guilty of a misdemeanor.

The time limitations on standing or parking in this ordinance will not relieve any person from the duty to observe other and more restrictive provisions of the California Vehicle Code or the Torrance Municipal Code prohibiting or limiting the standing or parking of vehicles in specified places or at specified times. Nothing in this ordinance will be construed to permit vehicle habitation on a public street as prohibited by Section 61.6.31 of the Torrance Municipal Code.

The ordinance provides that there will be an implementation period during which the ordinance will not be enforced. The implementation period will start on the effective date of the ordinance and will end on December 31, 2006. The purpose of the implementation period is to give owners of Oversized Vehicles and Trailers the opportunity to register with the City of Torrance. The registration will consist of completing a City of Torrance application, including the required supporting documentation, as required by Section 61.12.035. People who meet the requirements of Section 61.12.035 will be issued a City of Torrance Oversized Vehicle Resident Registration Sticker.

Effective January 1, 2007, only Oversized Vehicles and Trailers with a City of Torrance Oversized Vehicle Resident Registration Sticker will be allowed to park on any public street or highway in the City. Oversized Vehicles and Trailers with a City of Torrance Resident Registration Sticker parked on a public street or highway after July 1, 2007, will be subject to all provisions of the California Vehicle Code or the Torrance Municipal Code.
