

COUNCIL MEETING
September 19, 2006

**SUPPLEMENTAL
MATERIAL**

Honorable Mayor and Members
of the City Council
City Hall
Torrance, California

Members of the Council:

SUBJECT: Supplemental Material to Council Item No. 12 B

After the posting of the agenda, it was discovered that the issue of transportation for patrons of the senior and dial-a-taxi programs had not been addressed in the item.

The Transit Director is recommending that the city reimburse the amount above the \$13.00 taxi ticket, for both the arriving and returning trip, to any patron of the program who attends any of the Community Outreach Council Meetings. The maximum amount of reimbursement will not exceed a total of \$6.00 per patron. Staff will utilize all city outreach resources including those of the Commission on Aging, the city website and senior centers to notify patrons.

On the night of the council meetings, all patrons exceeding the \$13.00 taxi ticket limit will be required to provide a taxi receipt showing the total meter fare and staff will reimburse the amount above \$13.00. It is estimated that the total expenditure for all three meetings will not exceed \$500.00.

Respectfully submitted,

Kim Turner
Transit Director
