June 5, 2007

Honorable Mayor and Members
of the Torrance City Council
City Hall
Torrance, California

Members of the Council:

SUBJECT: General Services - Consulting Contract for space planning for the City of Torrance Branch Libraries. Expenditure: \$40,000

RECOMMENDATION:

The General Services Director and Acting Community Services Director recommend the City Council award a contract to Designpoint for a not to exceed amount of \$40,000 for space planning of the branch libraries shelving system. (FEAP #623)

Funding

Funding is available in FEAP #623- Replace Library stacks at branch libraries

BACKGROUND / ANALYSIS

The current shelving at the branch libraries does not meet current seismic safety standards. Four out of five of the branches were constructed in the 1950's and 1960's and contain old wooden shelving. The manufacturers are no longer in business, and there is no way to retro-fit the existing shelving to bring it up to code.

The installation of new shelving will include steel shelves, significant bracing, and will bolt the shelving frames into the concrete floor. This will provide a much improved and safer environment.

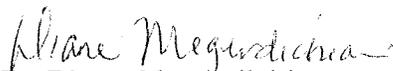

As part of this FEAP project, the carpeting will also be replaced, as the new shelving is not the same size and dimensions as the older shelving, and the current carpeting was cut around the older shelves at the time of installation.

The City of Torrance has worked with Designpoint Inc. on past library projects such as the Katy Geissert Civic Center Library remodel of the basement and 2nd floor. Designpoint is currently working in conjunction with Deems Lewis McKinley, the architect for the 1st floor renovation of the main library. This company is familiar with the procedures of the City of Torrance library system and layout of all the branch libraries.

The General Services Director and Acting Community Services Director recommend the City Council award a contract to Designpoint for a not to exceed amount of \$40,000 for space planning of the branch libraries shelving system. (FEAP #623)

CONSULTING SERVICES AGREEMENT

This CONSULTING SERVICES AGREEMENT (“Agreement”) is made and entered into as of June 5, 2007 (the “Effective Date”), by and between the CITY OF TORRANCE, a municipal corporation (“CITY”), and Cynthia Milberg, DBA Designpoint, a sole proprietorship (“CONSULTANT”).

RECITALS:

- A. CITY wishes to retain the services of an experienced and qualified CONSULTANT to provide architectural services for space planning for the five branch libraries in the City of Torrance.
- B. CONSULTANT represents that it is qualified to perform those services.

AGREEMENT:

1. SERVICES TO BE PERFORMED BY CONSULTANT

CONSULTANT will provide the services listed in the Proposal attached as Exhibit A. CONSULTANT warrants that all work and services set forth in the Proposal will be performed in a competent, professional and satisfactory manner.

2. TERM

Unless earlier terminated in accordance with Paragraph 4 below, this Agreement will continue in full force and effect from the Effective Date through June 30, 2008.

3. COMPENSATION

- A. CONSULTANT’s Fee.

For services rendered pursuant to this Agreement, CONSULTANT will be paid in accordance with the Proposal attached as Exhibit A, provided, however, that in no event will the total amount of money paid the CONSULTANT, for services initially contemplated by this Agreement, exceed the sum of \$ 40,000 (“Agreement Sum”), unless otherwise first approved in writing by CITY.

- B. Schedule of Payment.

Provided that the CONSULTANT is not in default under the terms of this Agreement, upon presentation of an invoice, CONSULTANT will be paid monthly the fees described in Paragraph 3.A. above, according to the Proposal. Payment will be due within 30 days after the date of the monthly invoice.

4. TERMINATION OF AGREEMENT

- A. Termination by CITY for Convenience.

- 1. CITY may, at any time, terminate the Agreement for CITY’s convenience and without cause.

2. Upon receipt of written notice from CITY of such termination for CITY's convenience, CONSULTANT will:
 - a. cease operations as directed by CITY in the notice;
 - b. take actions necessary, or that CITY may direct, for the protection and preservation of the work; and
 - c. except for work directed to be performed prior to the effective date of termination stated in the notice, terminate all existing subcontracts and purchase orders and enter into no further subcontracts and purchase orders.
3. In case of such termination for CITY's convenience, CONSULTANT will be entitled to receive payment for work executed; and costs incurred by reason of such termination, along with reasonable overhead and profit on the work not executed.

B. Termination for Cause.

1. If either party fails to perform any term, covenant or condition in this Agreement and that failure continues for 15 calendar days after the nondefaulting party gives the defaulting party written notice of the failure to perform, this Agreement may be terminated for cause; provided, however, that if during the notice period the defaulting party has promptly commenced and continues diligent efforts to remedy the default, the defaulting party will have such additional time as is reasonably necessary to remedy the default.
2. In the event this Agreement is terminated for cause by the default of the CONSULTANT, the CITY may, at the expense of the CONSULTANT and its surety, complete this Agreement or cause it to be completed. Any check or bond delivered to the CITY in connection with this Agreement, and the money payable thereon, will be forfeited to and remain the property of the CITY. All moneys due the CONSULTANT under the terms of this Agreement will be retained by the CITY, but the retention will not release the CONSULTANT and its surety from liability for the default. Under these circumstances, however, the CONSULTANT and its surety will be credited with the amount of money retained, toward any amount by which the cost of completion exceeds the Agreement Sum and any amount authorized for extra services.
3. Termination for cause will not affect or terminate any of the rights of the CITY as against the CONSULTANT or its surety then existing, or which may thereafter accrue because of the default; this provision is in addition to all other rights and remedies available to the CITY under law.

C. Termination for Breach of Law.

In the event the CONSULTANT or any of its officers, directors, shareholders,

employees, agents, subsidiaries or affiliates is convicted (i) of a criminal offense as an incident to obtaining or attempting to obtain a public or private contract or subcontract, or in the performance of a contract or subcontract; (ii) under state or federal statutes of embezzlement, theft, forgery, bribery, falsification or destruction of records, receiving stolen property, or any other offense indicating a lack of business integrity or business honesty which currently, seriously, and directly affects responsibility as a public consultant or contractor; (iii) under state or federal antitrust statutes arising out of the submission of bids or proposals; or (iv) of violation of Paragraph 19 of this Agreement; or for any other cause the CITY determines to be so serious and compelling as to affect CONSULTANT's responsibility as a public consultant or contractor, including but not limited to, debarment by another governmental agency, then the CITY reserves the unilateral right to terminate this Agreement or to impose such other sanctions (which may include financial sanctions, temporary suspensions or any other condition deemed appropriate short of termination) as it deems proper. The CITY will not take action until CONSULTANT has been given notice and an opportunity to present evidence in mitigation.

5. **FORCE MAJEURE**

If any party fails to perform its obligations because of strikes, lockouts, labor disputes, embargoes, acts of God, inability to obtain labor or materials or reasonable substitutes for labor or materials, governmental restrictions, governmental regulations, governmental control, judicial orders, enemy or hostile governmental action, civil commotion, fire or other casualty, or other causes beyond the reasonable control of the party obligated to perform, then that party's performance shall be excused for a period equal to the period of such cause for failure to perform.

6. **RETENTION OF FUNDS**

CONSULTANT authorizes CITY to deduct from any amount payable to CONSULTANT (whether or not arising out of this Agreement) any amounts the payment of which may be in dispute or that are necessary to compensate CITY for any losses, costs, liabilities, or damages suffered by CITY, and all amounts for which CITY may be liable to third parties, by reason of CONSULTANT's negligent acts or omissions or willful misconduct in performing or failing to perform CONSULTANT's obligations under this Agreement. In the event that any claim is made by a third party, the amount or validity of which is disputed by CONSULTANT, or any indebtedness exists that appears to be the basis for a claim of lien, CITY may withhold from any payment due, without liability for interest because of the withholding, an amount sufficient to cover the claim. The failure of CITY to exercise the right to deduct or to withhold will not, however, affect the obligations of CONSULTANT to insure, indemnify, and protect CITY as elsewhere provided in this Agreement.

7. **CITY REPRESENTATIVE**

Jon Landis is designated as the “City Representative,” authorized to act in its behalf with respect to the work and services specified in this Agreement and to make all decisions in connection with this Agreement. Whenever approval, directions, or other actions are required by CITY under this Agreement, those actions will be taken by the City Representative, unless otherwise stated. The City Manager has the right to designate another City Representative at any time, by providing notice to CONSULTANT.

8. **CONSULTANT REPRESENTATIVE(S)**

The following principal(s) of CONSULTANT are designated as being the principal(s) and representative(s) of CONSULTANT authorized to act in its behalf with respect to the work specified in this Agreement and make all decisions in connection with this Agreement:

Robert Milberg
Cynthia Milberg

9. **INDEPENDENT CONTRACTOR**

The CONSULTANT is, and at all times will remain as to CITY, a wholly independent contractor. Neither CITY nor any of its agents will have control over the conduct of the CONSULTANT or any of the CONSULTANT’s employees, except as otherwise set forth in this Agreement. The CONSULTANT may not, at any time or in any manner, represent that it or any of its agents or employees are in any manner agents or employees of CITY.

10. **BUSINESS LICENSE**

The CONSULTANT must obtain a City business license prior to the start of work under this Agreement, unless CONSULTANT is qualified for an exemption.

11. **OTHER LICENSES AND PERMITS**

CONSULTANT warrants that it has all professional, contracting and other permits and licenses required to undertake the work contemplated by this Agreement.

12. **FAMILIARITY WITH WORK**

By executing this Agreement, CONSULTANT warrants that CONSULTANT (a) has thoroughly investigated and considered the Proposal to be performed, (b) has carefully considered how the services should be performed, and (c) fully understands the facilities, difficulties and restrictions attending performance of the services under this Agreement. If the services involve work upon any site, CONSULTANT warrants that CONSULTANT has or will investigate the site and is or will be fully acquainted with the conditions there existing, prior to commencement of services set forth in this Agreement. Should CONSULTANT discover any latent or unknown conditions that will materially affect the performance of the services set forth in this Agreement, CONSULTANT must immediately inform CITY of that fact and may not proceed except at CONSULTANT’s risk until written instructions are received from CITY.

13. CARE OF WORK

CONSULTANT must adopt reasonable methods during the term of the Agreement to furnish continuous protection to the work, and the equipment, materials, papers, documents, plans, studies and other components to prevent losses or damages, and will be responsible for all damages, to persons or property, until acceptance of the work by CITY, except those losses or damages as may be caused by CITY's own negligence.

14. CONSULTANT'S ACCOUNTING RECORDS; OTHER PROJECT RECORDS

Records of the CONSULTANT's time pertaining to the project, and records of accounts between CITY and the CONSULTANT, will be kept on a generally recognized accounting basis. CONSULTANT will also maintain all other records, including without limitation specifications, drawings, progress reports and the like, relating to the project. All records will be available to CITY during normal working hours. CONSULTANT will maintain these records for three years after final payment.

15. INDEMNIFICATION

CONSULTANT will indemnify, defend, and hold harmless CITY, the City Council, each member thereof, present and future, its officers, agents and employees from and against any and all liability, expenses, including defense costs and legal fees, and claims for damages whatsoever, including, but not limited to, those arising from breach of contract, bodily injury, death, personal injury, property damage, loss of use, or property loss however the same may be caused and regardless of the responsibility for negligence. The obligation to indemnify, defend and hold harmless includes, but is not limited to, any liability or expense, including defense costs and legal fees, arising from the negligent acts or omissions, or willful misconduct of CONSULTANT, its officers, employees, agents, subcontractors or vendors. It is further agreed, CONSULTANT's obligations to indemnify, defend and hold harmless will apply even in the event of concurrent negligence on the part of CITY, the City Council, each member thereof, present and future, or its officers, agents and employees, except for liability resulting solely from the negligence or willful misconduct of CITY, its officers, employees or agents. Payment by CITY is not a condition precedent to enforcement of this indemnity. In the event of any dispute between CONSULTANT and CITY, as to whether liability arises from the sole negligence of the CITY or its officers, employees, agents, subcontractors or vendors, CONSULTANT will be obligated to pay for CITY's defense until such time as a final judgment has been entered adjudicating the CITY as solely negligent. CONSULTANT will not be entitled in the event of such a determination to any reimbursement of defense costs including but not limited to attorney's fees, expert fees and costs of litigation.

Re: Branch Libraries
Project: Space Planning Proposal

Dear Mr. Landis:

Thank you for the opportunity to present this proposal to you regarding the space planning for the five branch libraries in the City of Torrance.

My understanding of the project is the City of Torrance is desirous to replace outdated and non-seismically braced book shelving in its five Branch Libraries. The new shelving is to match that used in the Main Library so that flexibility throughout the system can be maintained. The new shelving has three foot wide shelving modules that will replace the existing four foot wide units thus requiring space planning for each Branch. Along with the new shelving the City will replace the carpeting.

The goal of the space planning for the Library is to achieve the most flexible and functional layout for each Branch. As all of the Branches were designed prior to the digital age, the addition and location of computers will be a part of the space planning.

It will be the responsibility of Designpoint to space plan each branch to accommodate the new book shelving and existing "loose" furniture to achieve the most optimum layout. Part of this space planning effort is to revise power locations at each Branch. The goal is to reuse existing power outlets where possible and attempt to keep all new power along the walls where existing power exists. Where power may be required in the middle of an area where no power currently exists, the use of power poles is more desirable than cutting into the slabs and running power therein. The Library staff is not keen on the aesthetics of power poles and has expressed a desire that any power poles used might be disguised possibly as a support pole for graphics, signage or lighting.

To accomplish the space planning Designpoint will need to complete the following:

1. Inventory existing loose furniture – tables, patron chairs, lounge chairs, paperback racks, computers, files, etc.

2. Document the location of existing electrical outlets and data/communication if needed
3. Receive from the Library book collection sizes to determine the amount of shelving required for each Branch
4. Receive from the City of Torrance existing floor plans for each Branch

SCOPE OF WORK

Phase I – Programming and Information Gathering Upon receipt of existing floor plans from the City, visit each Branch to inventory photographically all loose furniture and footprint sizes of each. Document the location of existing power outlets. Meet with staff to receive book collection size information and ascertain concerns regarding space planning issues – traffic flow, adjacencies, sight lines book stack heights, etc.

Phase II – Space Planning Based on information gathered in Phase I, Designpoint will develop space planning documents that address the concerns of the users; book stack and furniture layouts; and address the power issues discussed previously. Approved space planning documents will suffice for construction layout drawings for the shelving manufacturer. Shelving manufacturer will provide all installation drawings, engineering and calculations for seismic bracing of new book shelving as a part of their work.

FEES

Designpoint's compensation for Phases I is \$1,600 (one thousand, six hundred dollars). This is based on two consecutive days to obtain the required information on all five of the Branch Libraries. Although each Branch will be remodeled separately on its own schedule, it will take far less time to gather this information all at once rather than do each Branch separately.

The fee to complete Phase II will be accomplished on a square footage basis of \$1.50 (one dollar and fifty cents) per gross square foot of each Branch Library.

Reimbursable Expenses are in addition to compensation and include expenses incurred by the Designpoint and its employees in the interest of the Project, and may include but not limited to:

1. Expense of reproductions, postage and handling of documents.
2. If authorized in advance, expense of overtime work requiring higher than regular rates.
3. Expense of additional bonds, insurance coverage or limits, including professional liability insurance, requested in excess of that normally carried by the Designer.

Reimbursable Expenses are billed at a multiple of 1.1 times the expenses incurred by Designpoint.

If this proposal meets with your approval, we can begin work immediately. Phase I can be accomplished in the next 10 to 15 business days.

Thank you again for the opportunity to submit this proposal for space planning concepts for the City of Torrance Branch Libraries. Should you have any questions, I will be happy to address them.

Sincerely,
DESIGNPOINT
