

Council Meeting of
August 7, 2007

SUPPLEMENTAL MATERIAL

Honorable Mayor and Members
of the City Council
City Hall
Torrance, California

Members of the Council:

SUBJECT: SUPPLEMENTAL MATERIAL TO COUNCIL AGENDA ITEM 8 L

This supplement is to clarify discussions that occurred during the June 14, 2007 Airport Commission meeting. Discussions regarding service levels did not include the subsequent need for funding to construct an appropriate refuse and recycling enclosure. Discussion with Commission did confirm that the Sanitation Division would continue to provide airport refuse and recycling collection service at no additional charge.

An appropriate enclosure will enhance site appearance while addressing safety related concerns such as debris containment at a cost not to exceed \$11,300 to the Airport Enterprise Fund.

Respectfully submitted,

ROBERT J. BESTE
Public Works Director
