

Council Meeting of
September 18, 2007

Honorable Mayor and Members
of the City Council
City Hall
Torrance, California

Members of the Council:

**SUBJECT: City Manager – Consulting Services Agreement with Townsend Public Affairs, Inc. for Government Consulting and Services
Expenditure: \$62,880**

RECOMMENDATION

The City Manager recommends that the City Council approve a consulting services agreement with Townsend Public Affairs, Inc. for government consulting and advocacy services for the period October 1, 2007 through September 30, 2008.

Funding

Funds are available in the 2007-08 Department Operating Budgets.

BACKGROUND/ANALYSIS

The City has and does participate in advocacy efforts to obtain and maintain funding for capital projects through broader coalition or organizational groups to impact legislation efforts that may have a beneficial or detrimental impact in the City.

This advocacy participation has been at both the specific interest level such as fire safety through the Fire Chief's involvement with CalChiefs and LA Area Fire Chiefs, public safety through the Police Chief's involvement with LA County Chiefs of Police Association and California Chiefs of Police Association, and transit routing and funding through the Transit Director's involvement with Municipal Transit Operators Coalition and California Transit Association, as well as at the broader issue level through organizations such as the League of California Cities and South Bay Cities Council of Government (SBCCOG). Each of these organizations contract with lobbyist firms and/or monitor all legislative activity, and funding opportunities specific to their mission.

The relationships that the City has with these organizations are very beneficial and have proven valuable in assisting the City in preserving its quality of life. However, staff is seeking to expand the City's competitive funding allotment through active pursuit of beneficial legislation and aggressive seeking of grants and allocations.

Our objectives are:

- A voice in Sacramento
- Be on front side for funding during legislative framing
- Successful targeted grant applications and allocation

To achieve the objectives, staff invited four lobbyist firms to interview. Upon reflection of qualifications the City was seeking, one agency declined; leaving three that participated in the interview process. (Refer to Attachment B for interview questions.) Based on the interviews, staff determined that the City would be best served with the employment of two lobbyists; one that specialized in legislative advocacy, and one that specialized in grant funding, with a very successful track record. The contract before you tonight is for the firm of Townsend Public Affairs, Inc. whose specialty is funding for capital projects through grant programs and specialized bond monies.

The principal is Christopher Townsend, who, through his southern and northern offices, will carry out the City's legislative objectives. He has ten years of experience and comes highly recommended by Assemblyman Ted Lieu. Pending entering an annual contract with the firm, the City entered into a short-term, two-month contract in order to bring the firm on board to begin meeting with departments on their funding needs. The short-term contract expires September 30, 2007.

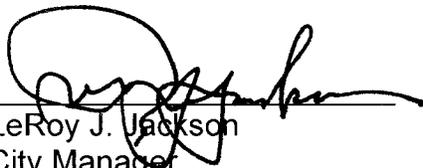

The primary duties under the proposed Agreement are:

- Pursue funding from the State and other public sector sources
- Advising City on all funding activities and opportunities determined to be of significance to City and assist in preparation of application documents
- Analysis of proposed state legislative and governor actions affecting City's funding needs and opportunities
- Monitoring of introduced legislative bills and bond application criteria and processes to determine those of interest to the City for funding of capital projects

Respectfully submitted,

LeROY J. JACKSON
CITY MANAGER

CONSULTING SERVICES AGREEMENT

This CONSULTING SERVICES AGREEMENT (“Agreement”) is made and entered into as of October 1, 2007 (the “Effective Date”), by and between the CITY OF TORRANCE, a municipal corporation (“CITY”), and Townsend Public Affairs, a California Corporation (“CONSULTANT”).

RECITALS:

- A. CITY wishes to retain the services of an experienced and qualified CONSULTANT to provide Government Consulting to pursue funding from the State of California and other public sector sources for the development, enhancement and/or expansion of projects and programs for the City of Torrance.
- B. CONSULTANT represents that it is qualified to perform those services.

AGREEMENT:

1. SERVICES TO BE PERFORMED BY CONSULTANT

CONSULTANT will provide the services listed in the Scope of Services attached as Exhibit A. CONSULTANT warrants that all work and services set forth in the Scope of Services will be performed in a competent, professional and satisfactory manner.

2. TERM

Unless earlier terminated in accordance with Paragraph 4 below, this Agreement will continue in full force and effect from the Effective Date through September 30, 2008.

3. COMPENSATION

- A. CONSULTANT’s Fee.

For services rendered pursuant to this Agreement, CONSULTANT will be paid in accordance with the Compensation Schedule attached as Exhibit B, provided, however, that in no event will the total amount of money paid the CONSULTANT, for services initially contemplated by this Agreement, exceed the sum of \$62,880 (“Agreement Sum”), unless otherwise first approved in writing by CITY.

- B. Schedule of Payment.

Provided that the CONSULTANT is not in default under the terms of this Agreement, upon presentation of an invoice, CONSULTANT will be paid monthly the fees described in Paragraph 3.A. above, according to the Compensation Schedule. Payment will be due within 30 days after the date of the monthly invoice.

4. **TERMINATION OF AGREEMENT**

A. Termination by CITY for Convenience.

1. CITY may, at any time, terminate the Agreement for CITY's convenience and without cause.
2. Upon receipt of written notice from CITY of such termination for CITY's convenience, CONSULTANT will:
 - a. cease operations as directed by CITY in the notice;
 - b. take actions necessary, or that CITY may direct, for the protection and preservation of the work; and
 - c. except for work directed to be performed prior to the effective date of termination stated in the notice, terminate all existing subcontracts and purchase orders and enter into no further subcontracts and purchase orders.
3. In case of such termination for CITY's convenience, CONSULTANT will be entitled to receive payment for work executed; and costs incurred by reason of such termination, along with reasonable overhead and profit on the work not executed.

B. Termination for Cause.

1. If either party fails to perform any term, covenant or condition in this Agreement and that failure continues for 15 calendar days after the nondefaulting party gives the defaulting party written notice of the failure to perform, this Agreement may be terminated for cause; provided, however, that if during the notice period the defaulting party has promptly commenced and continues diligent efforts to remedy the default, the defaulting party will have such additional time as is reasonably necessary to remedy the default.
2. In the event this Agreement is terminated for cause by the default of the CONSULTANT, the CITY may, at the expense of the CONSULTANT and its surety, complete this Agreement or cause it to be completed. Any check or bond delivered to the CITY in connection with this Agreement, and the money payable thereon, will be forfeited to and remain the property of the CITY. All moneys due the CONSULTANT under the terms of this Agreement will be retained by the CITY, but the retention will not release the CONSULTANT and its surety from liability for the default. Under these circumstances, however, the CONSULTANT and its surety will be credited with the amount of money retained, toward any amount by which the cost of completion exceeds the Agreement Sum and any amount authorized for extra services.

3. Termination for cause will not affect or terminate any of the rights of the CITY as against the CONSULTANT or its surety then existing, or which may thereafter accrue because of the default; this provision is in addition to all other rights and remedies available to the CITY under law.

C. Termination for Breach of Law.

In the event the CONSULTANT or any of its officers, directors, shareholders, employees, agents, subsidiaries or affiliates is convicted (i) of a criminal offense as an incident to obtaining or attempting to obtain a public or private contract or subcontract, or in the performance of a contract or subcontract; (ii) under state or federal statutes of embezzlement, theft, forgery, bribery, falsification or destruction of records, receiving stolen property, or any other offense indicating a lack of business integrity or business honesty which currently, seriously, and directly affects responsibility as a public consultant or contractor; (iii) under state or federal antitrust statutes arising out of the submission of bids or proposals; or (iv) of violation of Paragraph 19 of this Agreement; or for any other cause the CITY determines to be so serious and compelling as to affect CONSULTANT's responsibility as a public consultant or contractor, including but not limited to, debarment by another governmental agency, then the CITY reserves the unilateral right to terminate this Agreement or to impose such other sanctions (which may include financial sanctions, temporary suspensions or any other condition deemed appropriate short of termination) as it deems proper. The CITY will not take action until CONSULTANT has been given notice and an opportunity to present evidence in mitigation.

5. **FORCE MAJEURE**

If any party fails to perform its obligations because of strikes, lockouts, labor disputes, embargoes, acts of God, inability to obtain labor or materials or reasonable substitutes for labor or materials, governmental restrictions, governmental regulations, governmental control, judicial orders, enemy or hostile governmental action, civil commotion, fire or other casualty, or other causes beyond the reasonable control of the party obligated to perform, then that party's performance shall be excused for a period equal to the period of such cause for failure to perform.

6. **RETENTION OF FUNDS**

CONSULTANT authorizes CITY to deduct from any amount payable to CONSULTANT (whether or not arising out of this Agreement) any amounts the payment of which may be in dispute or that are necessary to compensate CITY for any losses, costs, liabilities, or damages suffered by CITY, and all amounts for which CITY may be liable to third parties, by reason of CONSULTANT's negligent acts or omissions or willful misconduct in performing or failing to perform CONSULTANT's obligations under this Agreement. In the event that any claim is made by a third party, the amount or validity of which is disputed by CONSULTANT, or any indebtedness exists that appears to be the basis for a claim of lien, CITY may withhold from any payment due, without liability for interest because of the withholding, an amount sufficient to cover the claim. The failure of CITY to exercise the right to deduct or to withhold will not, however, affect the obligations of

CONSULTANT to insure, indemnify, and protect CITY as elsewhere provided in this Agreement.

7. **CITY REPRESENTATIVE**

Mary Giordano is designated as the “City Representative,” authorized to act in its behalf with respect to the work and services specified in this Agreement and to make all decisions in connection with this Agreement. Whenever approval, directions, or other actions are required by CITY under this Agreement, those actions will be taken by the City Representative, unless otherwise stated. The City Manager has the right to designate another City Representative at any time, by providing notice to CONSULTANT.

8. **CONSULTANT REPRESENTATIVE(S)**

The following principal(s) of CONSULTANT are designated as being the principal(s) and representative(s) of CONSULTANT authorized to act in its behalf with respect to the work specified in this Agreement and make all decisions in connection with this Agreement:

Christopher Townsend

9. **INDEPENDENT CONTRACTOR**

The CONSULTANT is, and at all times will remain as to CITY, a wholly independent contractor. Neither CITY nor any of its agents will have control over the conduct of the CONSULTANT or any of the CONSULTANT’s employees, except as otherwise set forth in this Agreement. The CONSULTANT may not, at any time or in any manner, represent that it or any of its agents or employees are in any manner agents or employees of CITY.

10. **BUSINESS LICENSE**

The CONSULTANT must obtain a City business license prior to the start of work under this Agreement, unless CONSULTANT is qualified for an exemption.

11. **OTHER LICENSES AND PERMITS**

CONSULTANT warrants that it has all professional, contracting and other permits and licenses required to undertake the work contemplated by this Agreement.

12. **FAMILIARITY WITH WORK**

By executing this Agreement, CONSULTANT warrants that CONSULTANT (a) has thoroughly investigated and considered the scope of services to be performed, (b) has carefully considered how the services should be performed, and (c) fully understands the facilities, difficulties and restrictions attending performance of the services under this Agreement. If the services involve work upon any site, CONSULTANT warrants that CONSULTANT has or will investigate the site and is or will be fully acquainted with the conditions there existing, prior to commencement of services set forth in this Agreement. Should CONSULTANT discover any latent or unknown conditions that will materially affect the performance of the services set forth in this Agreement, CONSULTANT must immediately inform CITY of that fact and may not proceed except at CONSULTANT’s risk until written instructions are received from CITY.

13. CARE OF WORK

CONSULTANT must adopt reasonable methods during the term of the Agreement to furnish continuous protection to the work, and the equipment, materials, papers, documents, plans, studies and other components to prevent losses or damages, and will be responsible for all damages, to persons or property, until acceptance of the work by CITY, except those losses or damages as may be caused by CITY's own negligence.

14. CONSULTANT'S ACCOUNTING RECORDS; OTHER PROJECT RECORDS

Records of the CONSULTANT's time pertaining to the project, and records of accounts between CITY and the CONSULTANT, will be kept on a generally recognized accounting basis. CONSULTANT will also maintain all other records, including without limitation specifications, drawings, progress reports and the like, relating to the project. All records will be available to CITY during normal working hours. CONSULTANT will maintain these records for three years after final payment.

15. INDEMNIFICATION

CONSULTANT will indemnify, defend, and hold harmless CITY, the City Council, each member thereof, present and future, its officers, agents and employees from and against any and all liability, expenses, including defense costs and legal fees, and claims for damages whatsoever, including, but not limited to, those arising from breach of contract, bodily injury, death, personal injury, property damage, loss of use, or property loss however the same may be caused and regardless of the responsibility for negligence. The obligation to indemnify, defend and hold harmless includes, but is not limited to, any liability or expense, including defense costs and legal fees, arising from the negligent acts or omissions, or willful misconduct of CONSULTANT, its officers, employees, agents, subcontractors or vendors. It is further agreed, CONSULTANT's obligations to indemnify, defend and hold harmless will apply even in the event of concurrent negligence on the part of CITY, the City Council, each member thereof, present and future, or its officers, agents and employees, except for liability resulting solely from the negligence or willful misconduct of CITY, its officers, employees or agents. Payment by CITY is not a condition precedent to enforcement of this indemnity. In the event of any dispute between CONSULTANT and CITY, as to whether liability arises from the sole negligence of the CITY or its officers, employees, agents, subcontractors or vendors, CONSULTANT will be obligated to pay for CITY's defense until such time as a final judgment has been entered adjudicating the CITY as solely negligent. CONSULTANT will not be entitled in the event of such a determination to any reimbursement of defense costs including but not limited to attorney's fees, expert fees and costs of litigation.

16. NON-LIABILITY OF CITY OFFICERS AND EMPLOYEES

No officer or employee of CITY will be personally liable to CONSULTANT, in the event of any default or breach by the CITY or for any amount that may become due to CONSULTANT.

17. INSURANCE

- A. CONSULTANT must maintain at its sole expense the following insurance, which will be full coverage not subject to self insurance provisions:

 3. Professional liability insurance with limits of at least \$1,000,000 per occurrence.
 4. Workers' Compensation with limits as required by the State of California and Employers Liability with limits of at least \$1,000,000.

Insurance or bonds required by this Agreement will be satisfactory only if issued by companies admitted to do business in California, rated "B+" or better in the most recent edition of Best's Key Rating Guide, and only if they are of a financial category Class VII or better, unless these requirements are waived by the Risk Manager of CITY ("Risk Manager") due to unique circumstances. In the event the Risk Manager determines that the work or services to be performed under this Agreement creates an increased or decreased risk of loss to CITY, the CONSULTANT agrees that the minimum limits of any insurance policies or performance bonds required by this Agreement may be changed

accordingly upon receipt of written notice from the Risk Manager; provided that CONSULTANT will have the right to appeal a determination of increased coverage by the Risk Manager to the City Council of CITY within 10 days of receipt of notice from the Risk Manager.

If CONSULTANT should enter into a contract for consultation services with any entity which CLIENT believes is a conflict of interest, CLIENT will have the right to terminate the Agreement upon three (3) days written notice.
- B. No officer or employee of the CITY may have any financial interest, direct or indirect, in this Agreement, nor may any officer or employee participate in any decision relating to the Agreement that effects the officer or employee's financial interest or the financial interest of any corporation, partnership or association in which the officer or employee is, directly or indirectly interested, in violation of any law, rule or regulation.

OVERVIEW OF TOWNSEND PUBLIC AFFAIRS, INC.

Building on two decades of political involvement at the national, state, and local levels, Christopher Townsend founded Townsend Public Affairs, Inc. (TPA) as a California corporation in 1998. TPA currently is based in Irvine, California, with offices in Oakland and Sacramento, as well as on-going partnerships with additional offices in both Sacramento and Washington, DC.

TPA specializes in securing public sector funding to transform “legacy projects” into reality. TPA works almost exclusively with public agencies, such as municipalities, school districts, water districts, and joint power authorities, as well as non-profit organizations, such as museums and organizations that serve at-risk youth. Our focus for these clients is securing significant public sector funding for legacy projects such as libraries, parks, recreational centers, museums, and numerous infrastructure related projects such as transit, water, and waste-water systems. **We have secured more than \$370 million for clients since the inception of our company.**

In addition to securing significant public sector capital funding for large-scale capital projects, Townsend Public Affairs, Inc. also provides the following services to its clients:

- **Political Consulting:** Through our strong network of elected officials at the local, state, and federal level, TPA is uniquely positioned to help its clients and their strategic networks proactively engage with the political landscape. In this era of term limits, TPA’s engagement with local government has become even more important as today’s water board member, could be tomorrow’s state senator or congressional representative.
- **Legislative Tracking and Advocacy:** Though the Internet has become a powerful tracking tool, the constant stream of legislation moving through the halls of government can prove difficult to manage without dedicated staffing, constant attention, and a ubiquitous presence in the key committee meetings and behind-closed-doors meetings. It is even more challenging to have a true impact on the outcome of legislation without these resources. Through Townsend Public Affairs, Inc. strategic partners and elected official contacts, we are uniquely positioned to monitor priority legislation, help craft policy positions, and implement tactical strategies to achieve specific results.

The firm specializes in the development and execution of government and community relations strategies for a select clientele of businesses, public agencies and non-profit organizations.

Previously, Christopher served as Senior Director of Government & Community Affairs for Taco Bell Corp. Headquartered in Orange County, California, Taco Bell is the nation's leading Mexican-style quick service restaurant chain with more than 7,000 restaurants that generate over \$5 billion in annual system-wide sales. Christopher supervised all legislative and regulatory matters that affected Taco Bell at the federal, state and local levels of government, including: labor, employee benefits, food safety, franchising, immigration, and taxes. Christopher also managed the Taco Bell Strategic Permitting Initiative, an innovative program to increase and expedite the entitlements for restaurant development throughout the United States.

While at Taco Bell Corp., Christopher also managed corporate community relations and several philanthropic initiatives, including the Taco Bell Foundation and the Taco Bell Discovery Science Center. In September of 1995, Christopher arranged for President Bill Clinton to join with NBA Superstar Shaquille O'Neal in Santa Ana, California to launch TEENS supreme, an innovative \$15 million national partnership between the Taco Bell Foundation and the Boys & Girls Clubs of America that fights juvenile crime by providing at-risk teenagers with recreational, educational and vocational programs. In March of 1998, Christopher arranged for Vice President Al Gore to join with a bipartisan coalition of Orange County elected officials to celebrate the groundbreaking for the Taco Bell Discovery Science Center in Santa Ana, California. Christopher has secured state and federal funding in excess of \$20 million for the Center.

Prior to joining Taco Bell, Christopher served for ten years as Vice President of Public Affairs for Stein-Brief Group, Inc., a real estate company based in Orange County, California. In this role, Christopher managed land-use planning and entitlement activities as well as government, community and media relations. Christopher was instrumental in securing the entitlements for the Monarch Beach development in Dana Point, a 550-acre master-planned destination resort/residential community comprised of hotels, retail and office commercial sites, private and public recreational amenities and over 2,500 residential units. Christopher also secured entitlements for mixed-use projects in Laguna Beach, Laguna Niguel, and San Juan Capistrano.
