SUBJECT: Community Development - City Council consideration of the 2008 PHA Annual Plan for the Section 8 Rental Assistance Program

RECOMMENDATION

Recommendation of the Community Development Director that the City Council conduct a public hearing, consider any comments received during the hearing and approve the attached 2008 PHA Annual Plan for the Section 8 Rental Assistance Program.

FUNDING: Not applicable

Prior Hearings and Publications

A legal advertisement was published in the Daily Breeze on February 13, 2008. The proof of publication is included as Attachment A.

BACKGROUND

The City of Torrance has administered a Section 8 Rental Assistance Program since 1977, allowing it to assist up to 690 low or very low-income senior citizens, disabled persons and families to afford decent, safe and sanitary housing. Over time, the regulations governing the program have changed, with significant changes made during the past few years.

The Public Housing Reform Act of 1998 requires local Public Housing Authorities (PHAs) to undertake a comprehensive planning process that reviews all aspects of their program. The PHA is required to develop a PHA Plan in consultation with the participants of the Section 8 Program and provide the broader community an opportunity to review and comment on the plan.

The staff of the Housing Office met with the Residential Advisory Board (RAB) on February 26, 2008 to obtain input on the PHA plan for 2007. The RAB is a requirement for agencies that prepare a PHA Plan. The function of the RAB is to assist the PHA in the development of its Annual Plan. The RAB (Basili Faragallah, Linda Mitchell, and Anna Pizzati) supports approval of the Draft PHA Annual Plan for 2008.

The PHA Plan consists of two documents, both of which are electronically submitted on templates provided by HUD (Housing and Urban Development Department). The first part of the plan is the Five Year Comprehensive Plan. It describes the mission of the PHA and its long range goals. The second part of the plan includes more specific details about the operation of the program, as well as providing an update on the progress made towards meeting its long-range goals. Only the Annual Plan is under consideration in 2008.

ANALYSIS

Attachment B contains the draft PHA Annual Plan for 2008. The plan is similar to those previously submitted, except that they include an update of the progress made by the Housing Office towards meeting its goals. The City of Torrance operates only a tenant based Section 8 Program (that is, we do not have any project based assistance). The PHA plan addresses only those matters relating directly to the Section 8 Program.

ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The City of Torrance only administers the Section 8 program. There are no other public housing programs. A total of 690 Housing Vouchers are allocated to this housing authority. However, based on the preliminary funding notification received from HUD for calendar year 2008, it is unlikely that this agency will be able to utilize all of these vouchers. We are currently spending all of the funding we receive for Housing Assistance Payments. We have resumed calling names from our waiting list and will continue to lease up as many vouchers as the funding will support. In addition to maximizing lease-up there are seven major initiatives in the Annual Plan. These seven are as follows:

- 1) to continue quality control inspections**
- 2) to continue the review of 100% of case files by supervision**
- 3) to continue working with social service agencies in the community including those serving seniors and handicapped/disabled households**
- 4) to work on creating a newsletter to both tenants and landlords as part of our community outreach program**
- 5) to review the operations and procedures of the program in order to serve our clients in a more efficient manner**
- 6) to utilize the Enterprise Income Verification (EIV) to electronically verify the accuracy of tenant reported data to ensure that program participants pay their fair share of the rent**

- 7) **to require families who fail to report income to the housing authority to reimburse overpayments on the Housing Assistance Payments (HAP) made on their behalf by the agency.**

The following two goals from last year's plan have been accomplished: to revise rent reasonableness criteria including adding this data into our housing software program and to update and revise the Administrative Plan to include policies related to EIV, the Violence Against Women Act and the Student Rule.

The transition to the rent reasonableness system was completed by September 2007. We will continue to maintain and update the database.

The City Council adopted an updated and revised Administrative Plan for the Section 8 Program on December 11, 2007.

In 2006, the staff of the PHA began working with the HUD Office of the Inspector General (OIG) to investigate fraud issues raised by the EIV system. We also followed up on Social Security number discrepancies that have been encountered since HUD began matching the records of program participants with the Social Security Administration records. The staff will continue to work with the OIG to investigate and eliminate fraud by participants.

Information about program participants is electronically transmitted to HUD using a system known as the Multi Tenant Characteristic System (MTCS). HUD requires that at least 95% of the records for program participants be successfully submitted to MTCS. This PHA exceeded this requirement during 2007. It is the goal of this PHA to continue to comply with this requirement during the next fiscal year.

Beginning in 2004, administrative fees for the Section 8 Program were cut. This has resulted in reduced staffing levels. The remaining PHA staff will make every effort to provide the best possible service to both tenants and owners who participate in the program.
