BACKGROUND

The National League of Cities' (NLC) 2006 Annual Congressional City Conference will be held in Washington, DC from March 11-15, 2006. NLC represents the concerns of cities to the U.S. Congress. This Conference will offer city representatives an opportunity to raise their concerns to federal officials and policymakers face-to-face. The event will also offer a chance for networking between City of Torrance officials and representatives of cities outside the Southern California region.

In order to allow for Torrance officials to participate, the City Manager would like to recommend the City Council declare a dark night on March 14, 2006.
