

Council Meeting
January 24, 2006

Honorable Mayor and Members
of the City Council
City Hall
Torrance, California

Members of the Council:

SUBJECT: Donation of video equipment

Expenditure: \$0.00

RECOMMENDATION

The City Manager recommends that the City Council donate the attached miscellaneous video equipment to the Torrance Unified School District.

BACKGROUND/ANALYSIS

The City of Torrance recently completed a capital equipment project to replace the video equipment in the Master Control room located in the Telecommunications Center. Although the equipment is operational, they no longer meet the needs of the City.

Staff has met with a representative from the Torrance Unified School District and they expressed interests in certain components to support their existing video operation, including TUSD channel 30. Section 21.2.3.g. of the Torrance Municipal Code allows for the disposition of obsolete property.

If approved, the attached list of equipment would be transferred to the District.

Respectfully submitted,

LeROY J. JACKSON
City Manager
