The Clerk of the Agency recommends that the Redevelopment Agency receive and file the attached map of economic conflicts of interest disclosing property owned by Agency members and City Planning Commissioners with the Agency's three project areas.

BACKGROUND AND ANALYSIS

Section 33130(a) of the California Health and Safety Code requires all agency or community officers or employees who are required to participate in the formulation of or approval of plans or policies for the redevelopment of a project area with the community. Written disclosure of those interests has been made on the appropriate statements of economic interest and by the filing of this map will be entered in the minutes of the Redevelopment Agency and the City Council.

Respectfully submitted,

Sue Herbers, Clerk of the Agency
