

INFORMATION ON TORRANCE BOULEVARD CONSTRUCTION AUGUST 8, 2008

TORRANCE BOULEVARD STORM DRAIN IMPROVEMENT PROJECT

- Construction of a new storm drain on Torrance Boulevard, between Crenshaw Boulevard and Madrona Avenue, will begin on **Friday, August 8th**.
- Normal working hours are between 7:00 a.m. and 4:00 p.m. on weekdays.
- Additionally, it will be required to work on some weekends at the intersections of Crenshaw Boulevard/Torrance Boulevard and Maple Avenue/Torrance Boulevard.
- Weekend work hours are between 8:00 a.m. and 6:00 p.m.
- The work will be ongoing for approximately 5 weeks.

TRAFFIC IMPACTS & ACCESS – AUGUST/SEPTEMBER 2008

- Torrance Boulevard will be reduced to one lane in each direction between Madrona Avenue and Crenshaw Boulevard.
- Delays are expected.
- Left-turns in and out of Torrance Boulevard at Date Avenue, Elm Avenue and the Torrance Boulevard Service Roads near Eriel Avenue and Madrona Avenue will be prohibited on a 24-hour basis during the work.

For weekend construction at the intersections of Crenshaw Boulevard/Torrance Boulevard and Maple Avenue/Torrance Boulevard, additional travel lanes will be closed and left-turns will be prohibited throughout the entire weekend.
