Agency Agenda Item 4A

Honorable Chairman and Members
of the Torrance Redevelopment Agency
City Hall
Torrance, California

Members of the Agency:

SUBJECT: Approve a Purchase Order for the procurement and installation of park benches for the Downtown Redevelopment area

Expenditure: Not-to-exceed \$12,786.14

RECOMMENDATION

The Deputy Executive Director recommends that the Redevelopment Agency approve a Purchase Order with Dave Bang Associates, Inc. in the amount \$12,177.28 and authorize a 5% contingency of \$608.86 for a total of \$12,786.14 for the fabrication and installation of ten (10) benches for the Downtown Redevelopment area.

Funding: Funding is available in the Downtown Redevelopment Capital Project Fund

BACKGROUND AND ANALYSIS

In the Downtown Redevelopment area, there are three small parks. Each park has existing benches that are either broken or severely weathered. These benches are nearly ten years old and need to be replaced.

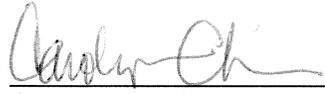

Staff contacted the City's Parks and Recreation Division for their recommendation for manufacturers of park benches. In the past, the City has utilized Victor Stanley products and has been pleased with the quality and durability of their benches. Staff contacted Victor Stanley and its local distributor, Dave Bang Associates, Inc. to obtain a price quote (see Attachment A).

The cost for the fabrication of ten (10) 6-foot heavy duty all steel bench with back, frame and arms, with green powdered coating is \$10,677.28 (includes tax and

shipping). The cost to install the benches by a licensed contractor is \$1,500.00. With a 5% contingency (\$608.86) the total expenditure cost is not-to-exceed \$12,786.14.

Respectfully submitted,

Jeffery W. Gibson
Deputy Executive Director

By 

Carolyn M. Chun
Senior Planning Associate
Redevelopment, Housing and
General Plan Division
