Members of the Council:

**SUBJECT: General Services – Authorize Purchase Order to furnish two (2)
2009 Chevrolet Silverado 2500HD Pickup Trucks**

Ref: Bid # B2008-61

Expenditure: \$53,992.30 (including sales tax and tire fees)

RECOMMENDATION

Recommendation of the General Services Director that the City Council authorize purchase of two (2) 2009 Chevrolet Silverado 2500HD Pickup Trucks from Lake Chevrolet of Lake Elsinore, California, in the amount of \$53,992.30 including sales tax and tire fees.

Funding

Funding is available in FEAP # 663 - Commercial Enforcement Fleet Capital Project fund.

BACKGROUND

On March 25, 2008, your honorable body approved FEAP # 663 authorizing purchase of vehicles and equipment to be used with the Torrance Police Department's Commercial Enforcement Detail. The Commercial Enforcement Detail is responsible for inspecting commercial trucks and trailers that travel in or through the City. Commercial trucks that are in violation of the law contribute to the early erosion of the City's streets and infrastructure, as well as posing a traffic safety threat to the community. The two pickups being purchased will serve as the primary enforcement vehicles on this detail.

Once received these trucks will be outfitted in a manner very similar to those operated by the California Highway Patrol's commercial enforcement branch, equipped with a variety of separately purchased equipment to augment the capabilities of the Commercial Enforcement Detail (portable scales, etc.).

ANALYSIS

Formal bids were opened on October 30, 2008. Unfortunately, only one bid was received. Bid results are listed below.

Lake Chevrolet * Lake Elsinore, CA	\$53,992.30

* Lowest Responsible Bidder

Staff contacted Martin Chevrolet in Torrance to inquire as to why they did not submit a bid. The Fleet Sales Manager indicated that he had intended to submit a bid and was working on it, but had forgotten to finish it and discovered his mistake after the bid submission deadline.
