of the City Council
City Hall
Torrance, California

Members of the Council:

SUBJECT: City Manager – Adopt RESOLUTION pursuant to a Memorandum of Understanding setting forth the hours, wages and working conditions for Torrance Police Officers Association (TPOA)

Expenditure: 3.5% Year 1, 3.5% Year 2, and 3.5% Year 3 of contract; 0.5% health Year 1 and 0.5% increase to retiree stipend Year 1, for a total net package cost to the General Fund of 11.5% over 35 months.

RECOMMENDATION

Recommendation of the City Manager that City Council adopt a RESOLUTION pursuant to a Memorandum of Understanding setting forth the hours, wages and working conditions for employees represented by the Torrance Police Officers Association (TPOA) for the period February 1, 2009 to December 31, 2011, and approve the conversion of eleven sworn positions to civilian subject matter experts as part of the Team Policing plan implementation.

Funding

Funding is available within the wage reserve.

BACKGROUND AND ANALYSIS

The Memorandum of Understanding for the Torrance Police Officers Association (TPOA) expired on January 31, 2009. Representatives of Management and the Torrance Police Officers Association have been meeting and conferring for the past several months in an attempt to reach an agreement for a successor Memorandum of Understanding. The parties have come to an agreement, and the Police Association has voted in favor of the new contract.

The main changes to the MOU include increases to pay, health insurance, an increase to the retiree medical stipend, the implementation of Team Policing, and the conversion of eleven (11) sworn positions to non-sworn. The pay increases are over a 35-month period of time. There are minor changes to language items, which are encompassed in the attached Memorandum of Understanding.

The two major operational changes reflected in the attached MOU are in the areas of field scheduling and deployment and continued transition to team policing. A component of the transition is the conversion of certain assignments from sworn to civilian subject matter experts.

Through the negotiation process with TPOA, the following positions and assignments will be transitioned from sworn to civilian:

- Crime Scene Investigator – seven positions
- Research and Training Officer- one position
- Education Officer – one position
- Background Officer – one position
- Court Liaison Officer – one position

With the increase in criminal justice programs offered at institutions of higher learning and specialized training programs, the Police Department projects an influx of qualified experts in the areas of DNA and forensic analysis. Torrance PD will work to develop a standalone Criminal Scene Investigation (CSI) unit made up of career professionals. These advancements will assist the Police personnel in the field with solving crimes and being able to expand on investigation tactics involving crimes against residents and businesses.

The City and TPOA agreed to implement the conversion and changes to employee schedules during the term of the new MOU. In response to TPOA's concern regarding the recruitment and retention of qualified and well trained mid-level police officers, the City agreed to adjust Step 4 of the Police Officer pay range by 2.5%. This adjustment will impact Police Officers and Police Sergeants. TPOA also agreed to offset the cost of the pay range adjustment, by offering to reduce the 25th year longevity pay of 10% to 7.5%.

Upon implementation of Team Policing, staffing schedule changes will be made to provide greater coverage of police operations based on actual criminal trends and City needs. The conversion of positions will not reduce the number of qualified and trained Police Officers available for duty in the field. The City and TPOA agreed to revisit the Team Policing agreement during the term of the MOU with the intention of making improvements to respond to any operational challenges. The Police Department will continue to foster a close working relationship with TPOA while striving for efficiency and excellence in community policing.

Respectfully submitted,

EXHIBIT 2 CATASTROPHIC LEAVE PROGRAM

Purpose

The purpose of this Catastrophic Leave Program is to allow employees to assist another employee during times of personal crisis when serious illness or injury has incapacitated him/her or a family member and the employee is therefore unable to work. It can also be used for employees who suffer catastrophic illness or injury who must undergo intermittent medical treatment such as chemotherapy. This program is solely for employees whose accrued leave balances have been exhausted.

Policy

The Catastrophic Leave Program allows an employee to transfer eligible leave hours (vacation, sick leave, compensatory time and/or administrative leave) to another employee when a catastrophic illness or injury occurs. A catastrophic illness or injury is defined as a serious health condition which substantially incapacitates an employee or qualifying family member, or which forces the employee or family member to undergo ongoing or lengthy substantial medical treatment. The illness or injury further creates a financial hardship because the employee has or will exhaust all leave time. For the purpose of the Catastrophic Leave Program, qualifying family member shall mean an employee's parents, step parents, spouse, registered domestic partner, children and stepchildren.

An employee will not be eligible for catastrophic leave until he/she has exhausted all leave time, including sick leave, vacation, compensatory time and administrative leave.

Donated hours may be used under the following situations:

- To cover the elimination period before short-term and/or long-term disability benefits begin
- To supplement short-term and/or long-term disability benefits
- To cover the time used on unpaid Family Leave

Procedures / Guidelines for Using Catastrophic Leave

1. Leave of Absence paperwork¹ must be submitted to the Human Resources Department. It should include medical certification of a serious health condition per the FMLA guidelines and the dates the employee expects to be absent. The leave must be approved by the Department Head and the Human Resources Director.
2. Verification of illness or injury of the employee or qualifying family member must be provided in writing by the treating physician on the City provided forms.
3. The employee or representative makes a request for catastrophic leave donations to the employee's department. The City Manager's Office is then notified and advertises the donation request via e-mail.
4. The period of absence will be determined by the written verification of the employee's or family member's physician and will not be based on the number of hours donated. Employees who are approved for the Catastrophic Leave Program due to a qualifying family member's catastrophic illness/injury may use donated time for a maximum of 12 weeks during a rolling one year period as is allowed by the Family and Medical Leave Act.
5. Employees who are approved for the Catastrophic Leave Program due to a qualifying family member's catastrophic illness/injury may use donated time for a maximum of 12 weeks during a rolling one-year period, as is allowed by the Family and Medical Leave Act.

¹ Leave of Absence Paperwork consists of "Request for Leave of Absence" form and either a form for personal illness or a "Family Medical Certification" form (for family illness).

6. Employees must exhaust all accrued leave hours (vacation, sick leave, etc.) prior to using any donated hours.
7. Employees will not accrue vacation, sick leave, or service time while using donated hours.
8. Donated hours may not be converted to cash ("cashed down").
9. The catastrophic leave bank will be closed and no further donations will be accepted under the following conditions:
 - The ill/injured employee returns to work full time, or
 - The 12 weeks of Family Leave have been exhausted, or
 - The ongoing, intermittent treatment program has been completed.

In these cases, any unused donated balances will be returned to the respective donating employees.

Any subsequent illness after the close of the bank will require a new request and approval.

Procedures/Guidelines for Donating Hours

1. Employees who wish to donate eligible leave hours must complete a Catastrophic Leave Bank Transfer Authorization form.
2. Donations of Catastrophic Leave hours are made on a voluntary basis.
3. All donated time must be in increments of one hour or more.
4. Donations of leave hours, once used, are irrevocable and become part of the receiving employee's leave bank.
5. Employees with less than 40 hours of sick leave may not donate sick leave hours. This provision may be waived by the City Manager if a donating employee has given notice of terminating employment with the City and there is a current qualified Catastrophic Leave Bank recipient.

Confidentiality

To protect the confidentiality of the program, the names of individuals who donate will not be released. The exact amount of hours donated will be provided to the receiving employee upon request for the purpose of computing the length of time to be covered by the catastrophic leave bank.

EXHIBIT 3
ADMINISTRATIVE APPEALS PROCEDURE

ADMINISTRATIVE APPEALS

Effective upon the signing of this MOU, the following administrative appeal process is established pursuant to Government Code §3304.5 and replaces the Management/TPOA Joint Letter of Agreement of September 22, 2004. It shall supplement the appeal process established pursuant to the City of Torrance Municipal Code.

This procedure shall not apply to disciplinary actions for which officers are already entitled to receive an appeal hearing pursuant to Division 1, Chapter 4, Section 14 of the Torrance Municipal Code as it pertains to suspension, demotion, and dismissal of police officers.

This procedure shall apply only to punitive actions, as that term is defined by Government Code §3303, for which officers do not receive an appeal hearing under Division 1, Chapter 4, Section 14 of the Municipal Code, including, but not limited to, written reprimands and non-disciplinary transfers resulting in a loss of compensation (e.g., non-disciplinary transfer out of a premium pay assignment). Nothing herein shall be interpreted to establish a property interest in any assignment.

1. Right to Administrative Appeal

- A. Any public safety officer (as that term is defined by Government Code §3301) who is subjected to punitive action (within the meaning of Government Code §3303) other than dismissal, demotion, or suspension, or who is subjected to an action which may lead to punitive action, shall be entitled to receive an administrative appeal under this procedure.
- B. Officers will be entitled to appeal an action prior to its imposition.
- C. Officers subjected to dismissal, demotion, or suspension shall continue to be entitled to an appeal in accordance with existing procedures set forth in the Division 1, Chapter 4, Section 14 of the Torrance Municipal Code. When such cases also involve a reassignment, the entire case will be heard pursuant to the Municipal Code, e.g., if, as a result of a misconduct case, an officer receives a suspension, and a reassignment, then the case will not be bifurcated. The Civil Service Commission will hear the entire case.
- D. An officer who requests an appeal under this procedure shall bear his/her own costs in association with the appeal, including but not limited to attorney fees.

2. Appeal to the Deputy Chief or His/Her Designee

- A. An officer who receives notice of a punitive action shall be entitled to appeal the action to the Deputy Chief of Police prior to the effective date of the punitive action. The appeal is an opportunity for the officer to present written material and arguments why a punitive action should not occur, or offer alternatives to the action. The formal rules of evidence do not apply.
- B. Request for Appeal: Within seven (7) calendar days of receipt by an officer of notification of a punitive action, the officer shall notify the Deputy Chief of Police in writing that the officer intends to appeal.

- C. The Deputy Chief of Police, or his designee, shall act as the hearing officer. The Deputy Chief of Police shall have five (5) calendar days from receipt of the request to schedule an appeal hearing. The hearing shall take place within thirty (30) calendar days of the date the officer was notified about the punitive action.
- D. Burden of Proof/Persuasion: If the punitive action being appealed involves allegations of misconduct (i.e., allegations that the officer has violated one or more federal, state, or local laws, and/or City or Police Department regulations, procedures, or rules), the Department shall have the burden of proving that the action is supported by good cause.

If the punitive action does not involve charges of misconduct, the Department shall have the burden of proving that the reassignment was reasonable, and not motivated by any improper purpose.

If the parties disagree regarding which standard shall apply, the hearing officer may hear argument on that issue and shall decide which standard applies.

1. The parties may present arguments through documents and statements.
2. If the punitive action being appealed is a written reprimand, the parties will not be entitled to confront and cross-examine witnesses.
3. Following the presentation of written material and statements, the involved parties may submit closing arguments in writing for consideration by the hearing officer.

- E. Representation: The officer may be represented by an association representative or attorney of his or her choice.
- F. Decision: After the hearing, a decision will be submitted in writing within five (5) calendar days. The decision shall be served by first class mail, postage prepaid, upon the officer as well as his/her attorney or representative. If a reassignment is upheld by the Deputy Chief of Police, it will take place pending an officer's appeal (if any) to the Chief of Police through advisory arbitration as set forth below.

3. Advisory Arbitration

- A. In the event that the Deputy Chief of Police or his designee upholds a reassignment from a premium paid position, and the officer wishes to appeal the decision, an outside hearing officer shall be utilized to hear the case. By September 1 of each year, the TPOA and Department shall each submit three names of hearing officers. From this list, the parties shall strike names until one remains. The party to strike first will be determined by a coin toss. The decision of the hearing officer will be advisory only to the Chief of Police.
- B. Burden of Proof/Persuasion: If the reassignment involves allegations of misconduct (i.e., allegations that the officer has violated one or more federal, state, or local laws, and/or City or Police Department regulations, procedures, or rules) the Department shall have the burden of proving that the reassignment is supported by good cause.

If the reassignment does not involve charges of misconduct, the Department shall have the burden of proving that the reassignment was reasonable, and not motivated by any improper purpose.

If the parties disagree regarding which standard shall apply, the hearing officer/arbitrator may hear argument on that issue and shall decide which standard applies.

1. The parties may present arguments through documents and statements.
 2. The parties may call, confront, and cross-examine witnesses.
 3. Following the presentation of written material and statements, the involved parties may submit closing arguments in writing for consideration by the hearing officer.
- C. The Chief will inform the officer of a final decision within fifteen (15) calendar days of receiving the hearing officer's recommended decision. The cost of the arbitrator will be shared equally by both parties. The decision shall be served by first class mail, postage pre-paid, upon the officer as well as his/her attorney or representative.
