

Council Meeting of
July 21, 2009

Honorable Mayor and Members
of the Torrance City Council
City Hall
Torrance, California

Members of the Council:

SUBJECT: Fire and Police - Approve fourth amendment to agreement for ambulance services (C2001-132) with Gerber Ambulance Service, Inc. Expenditure: None

RECOMMENDATION

Recommendation of the Fire Chief and the Chief of Police that the City Council approve a fourth amendment to the agreement for ambulance services (C2001-132) with Gerber Ambulance Service, Inc. to modify a fee provision to reflect the Advanced Life Support Assessment fee approved by the City Council on July 7, 2009.

BACKGROUND/ ANALYSIS

This is a request to amend the agreement for ambulance services (C2001-132) as amended on June 24, 2003, May 9, 2006, and June 9, 2009.

On June 9, 2009, the agreement was amended to extend the term of the agreement through July 15, 2011, to modify some fee provisions, and to indicate that Gerber will assume the responsibility of billing for the City any future fees consistent with other agencies' fees.

On July 7 2009, City Council approved the Advanced Life Support (ALS) Assessment Fee. This fourth amendment reflects the new ALS Assessment fee and specifies that Geber Ambulance will assume the responsibility of billing for the City the ALS assessment fee when the patient is assessed by a TFD paramedic who determines it is not necessary to accompany the patient to the medical facility and releases the patient for transport without paramedic accompaniment. The ALS assessment fee is indexed to and may not exceed the Los Angeles County General Public Ambulance rate set for such services: Advanced Life Support rate minus Basic Life Support rate less \$17. The current rate of the ALS Assessment fee is \$360.25. This rate will change with the change of the Los Angeles County Ambulance Rates.

The ALS Assessment fee and the fourth amendment will be effective July 8, 2009, when all user fees approved by Council on July 7, 2009 become effective.

All remaining provisions of the original agreement dated July 15, 2001, and amended June 24, 2003, May 9, 2006, and June 9, 2009, between the City and Gerber Ambulance Service, Inc. remain the same and continue in full force and effect.
