

Joint Meeting

Monday, 11/09/09

Joint Meeting

■ Agenda

- Introduction of Staff
- Staff Presentation on Commonality of Services
- Input from Community
- City Council/Board of Education Direction to Staff

Partnership Possibilities

- Staff has identified commonality of services offered in the following areas:
 - Community Services
 - Facility Support & Field Maintenance
 - Information Technology/Automation
 - Purchasing
 - Youth Services

Community Services

- **Library Resources**
 - Joint purchase of books & database sharing
 - Provide a library card to every TUSD student
- **Joint Publications**
 - Joint sharing of adult education class information via City's on-line sources
- **Recreation Services**
 - Opportunity to reduce duplication of services in recreation classes and adult education.
 - Review the assignment of fields for recreation services.

Current Partnerships

- Crossing Guards
- Homework Assistance
- Joint Use Facilities Agreement (Recreation Agreement)
- School Resource Officer for each High School
- Safe Route to Schools Grant
- Collaborative safety effort for drop-off/pick-up of students
- Park Ranger Program
- Security for and providing portable toilets on weekends
- Youth Library services
- TFD: Basic Aid training for district 5th graders & CPR for 9th graders
- TPD: Bike Rodeo finals
- Use of the Benstead Plunge Swimming Pool by High School Swim Teams

Facility Support & Field Maintenance

- **Field Lighting**
 - Changing lights at campus fields. Further exploration of energy savings.
- **Mowing**
 - Field mowing at Victor Elementary, Anza Elementary, Hickory Elementary
- **Tree Trimming**
 - Explore expanding current City contract to determine if City can achieve more service for same amount.
- **Facility Maintenance**
 - Joint painting, roofing, slurry seals, sidewalk grinding.
- **Green Waste Program**
- **Hazardous Waste**
- **Graffiti Removal**

Current Partnerships

- Street Lighting at West High School
- Reclaimed Water lines to various school sites
- Jefferson Middle School
 - Pedestrian Traffic Signal
- Installation of sidewalk and storm drain repair at South High
- Installation of berm at Towers Elementary School

Information Technology/Automation

- **Information Technology / GIS Sharing**
 - Purchase of software and maintenance agreements. Access to City's GIS System.
- **Agenda Automation**
- **Reverse 911**
 - Utilize the City's reverse 911 system to notify parents during emergencies/ natural disasters
- **Mass Email**
 - There may be joint collaboration opportunities to analyze and evaluate the email subscription service system.
 - Use City Cable to promote school events.

Current Partnerships

- The City donated TV cameras for the District Board Room
- Use of the City Council Chamber to provide televised bond updates to the community

Purchasing

- **Fleet Services**
 - Develop an early notification strategy to address City's routine vehicle replacement schedule with TUSD needs.
- **Compressed Natural Gas Filling Station / B20 Testing**
 - City developing a compressed natural gas filling station at the City Yard. TUSD may be able to use the station for fast fueling. City may pursue bio-fuel in the future.
- **Fuel Purchase**
- **Joint Purchasing**
 - Tires, fuel, batteries, supplies. Office supplies, printer cartridges, custodial materials.

Youth Services

■ Transit Ambassador Program

- Explore ways to introduce students to public transportation by utilizing existing bus routes to assist with local field trip transportation. Work jointly to encourage high school students to utilize the Torrance Transit System.

■ Youth Employment / Training

- Potential opportunity for TUSD and City to obtain grant funding from local workforce development agencies to assist with the development of youth employment and training.

Current Partnerships

■ Green Team Program

- The City and TUSD with a grant from ExxonMobil provide high school students with summer youth employment.

■ Students in Government Day

- Eighth grade students at TUSD have an opportunity to engage in running the City during an actual City Council meeting.

■ City/Youth sports use of district facilities

Input from the Community

City Council/Board of Education Direction to Staff

- Provide direction to staff based on concurrences achieved regarding partnership opportunities.
