

Council Meeting of  
December 15, 2009

**SUPPLEMENTAL**

Honorable Mayor and Members  
of the Torrance City Council  
City Hall  
Torrance, California

**Members of the Council:**

**SUBJECT: Supplemental Revision to Council Agenda Items 12F and 13A.**

The Police Department is bringing forward two related Council agenda items, numbers 12F and 13A. Item 12F is an increase in funding for an existing project, the Police Forensics Lab (FEAP 731). A total of \$63,359.90 is being added to the project. Of that increase, \$30,000 will come from the Police Department's operating budget. The remaining \$33,359.90 is new funding from the 2009 COPS grant that will be appropriated under item 13A. The Police Department requests that Council take item 13A before item 12F so that the COPS grant funds will be appropriated before the Forensics Lab item is discussed.

Respectfully submitted,

JOHN J. NEU  
Chief of Police
