Dear Mr. Mayor,

My name is William Till and I live at 4706 Torrance Blvd. I'm writing to you to let you know that my family and neighbors are opposed to any more development that increases traffic in front of our homes. Torrance blvd is a river of cars now and when the new hospital development is completed it will be insane. Getting out of our driveways now is impossible and adding additional cars must be stopped!!!

Sincerely,

William and Kimberly Till
