

Council Meeting of
September 28, 2010

PUBLIC HEARING

Honorable Mayor and Members
of the City Council
City Hall
Torrance, California

Members of the Council:

SUBJECT: Community Development – Request for approval of a Zone Change from R-1 (Single Family Residential) to P-U (Public Use) for property located at 2292 Del Amo Boulevard (APN # 7352-006-906)

ZON10-00002: City of Torrance

Expenditure: None

RECOMMENDATION

Recommendation of the Planning Commission and the Community Development Director that the City Council take the following action on property located at 2292 Del Amo Boulevard (APN # 7352-006-906):

1. Adopt an **ORDINANCE** approving a Zone Change from R-1 (Single Family Residential) to P-U (Public Use) for property located at 2292 Del Amo Boulevard (APN # 7352-006-906).
2. Approve an Ordinance Summary for publication.

Funding: Not Applicable

BACKGROUND

The City of Torrance proposes a Zone Change of the subject property from R-1 (Single Family Residential) to P-U (Public Use) in order to bring consistency between the zoning and the land use designation of the General Plan. In practice, the General Plan is the overarching policy document that guides the type, intensity and location of development in the City. The Zoning Code is the implementing tool that provides the actual development standards needed for site design. In order to further the goals contained in the General Plan, it is important for the zoning to be consistent with the General Plan land use designations.

PRIOR HEARING AND PUBLICATIONS

The item was considered by the Planning Commission on July 7, 2010. On June 25, 2010, 58 notices were mailed to property owners within a 500 foot radius. A notice of public hearing was posted at the site and a legal advertisement was published in the newspaper on July 25, 2010.

The item was subsequently scheduled for the City Council meeting of September 28, 2010. On September 17, 2010, 55 notices were mailed to property owners within a 500 foot radius. A notice of public hearing was posted at the site and a legal advertisement was published in the newspaper on September 18, 2010.

ENVIRONMENTAL FINDINGS: Environmental issues relative to revision of the Planning and Land Use Code, Division 9 of the Torrance Municipal Code, for purposes of implementing the 2009 General Plan are considered to be previously assessed by the Final Environmental Impact Report (EIR) for the 2009 Torrance General Plan Update (Notice of Determination, State Clearinghouse Number 2008111046) as certified by the Torrance City Council on April 6, 2010, by Resolution No. 2010-29. The General Plan EIR is a program EIR as provided for by the California Environmental Quality Act; as written its scope of environmental analysis specifically includes revision of the Planning and Land Use Code for implementation and consistency with the General Plan.

The subject zone changes will implement the General Plan by bringing consistency between zoning and the land use goals, objectives, policies and programs of the General Plan.

ANALYSIS

This parcel is rectangular in shape (100.01' by 200.00') and is approximately 20,002 square feet in size. The lot is located at the southeast corner of Del Amo Boulevard and Madrid Avenue. Most properties in this portion of Del Amo Boulevard are residential with some manufacturing uses to the South. This Zone Change will facilitate the conversion of this parcel for the future expansion of Pueblo Recreation Center Park, which is located adjacent to the east. This future expansion will be funded by a grant from the Statewide Park Development and Community Revitalization Program (Proposition 84).

As required by the regulations for the Proposition 84 grant process, the City hosted three meetings to review the existing Pueblo Park master plan and gather new ideas for the park. Given that the community had already decided upon the elements of the Pueblo Park Development Project in early 2006, City of Torrance staff presented the project at a meeting on December 8, 2009. The main elements that went into the design of the park included active and passive recreation areas, landscaping, parking, and the updated design of the Community Center including a classroom and multi-purpose room. At the second meeting on December 22, 2009, the attendees confirmed the existing park plan, and discussed new park programs, changes to current or future operations, as well as new and innovative ideas. The third meeting on January 6, 2010, focused on the local community's role in the operations, maintenance, and security of the park. Concepts such as Neighborhood Watch, Adopt-a-Park, and Friends of the Park were discussed. The group decided that the park space be planned for flexible usage for community events such as fiestas, Cinco de Mayo, and Fourth of July celebrations. To provide an opportunity to the residents who could not attend the meetings, the Community Services Department created a project web site and posted the Pueblo Park Master Plan, maps, responses to questions from the community and a survey regarding possible programming and amenities.

The community voiced their support for the project at official meetings of January 13, 2010 with the Parks and Recreation Commission, and February 9, 2010 with Torrance City Council.

A Zone Change of this parcel would have no adverse impact on the properties that surround the site. Changing the zone to a Public Use classification will make the property conforming as to land use. The General Plan, which was approved by the City Council on April 6, 2010, designates this area for "Public/Quasi-Public/Open Space" use and calls for the area to be rezoned so that it is consistent with this designation.

PLANNING COMMISSION RECOMMENDATION

The Planning Commission considered this item on July 7, 2010. No public testimony was received on the issue and the Planning Commission voted unanimously to recommend that the City Council approve a Zone Change from R-1 (Single Family Residential) to P-U (Public Use) for property located at 2292 Del Amo Boulevard (APN # 7352-006-906).

Planning Commission consideration for approval of a Zone Change from R-1 (Single-family Residential) to PU (Public Use) for property located at 2292 Del Amo Boulevard (APN#7352-006-906).

Recommendation

Approval.

Planning Manager Lodan introduced the request, explaining that the City of Torrance was proposing this Zone Change so the parcel would be consistent with the recently adopted General Plan and to facilitate the expansion of Pueblo Park, which is adjacent to the east.

In response to Commissioner Weideman's inquiry, Planning Manager Lodan reported that the parcel is currently vacant.

Commissioner Weideman asked if soil at the site has been tested, and Planning Manager Lodan indicated that he was not aware of any problems with the soil.

MOTION: Commissioner Skoll moved to recommend that the City Council approve ZON10-00002. The motion was seconded by Commissioner Uchima and passed by unanimous voice vote.

AGENDA ITEM NO. 11A**CASE TYPE AND NUMBER:** Zone Change: ZON10-00002**NAME:** City of Torrance**PURPOSE OF APPLICATION:** Request for approval of a Zone Change from R-1 (Single Family Residential) to P-U (Public Use)**LOCATION:** 2292 Del Amo Boulevard (APN #7352-006-906)**ZONING:** Existing: R-1 (Single Family Residential)
Proposed: P-U (Public Use)**ADJACENT ZONING AND LAND USE:**

North: R-1: Single Family Residential District, Single family Homes.
 South: M-2: Heavy Manufacturing District, Industrial Buildings.
 East: P-U: Public Use, Pueblo Recreation Center Park.
 West: Public Right-of-Way, Madrid Avenue.

EXISTING IMPROVEMENTS AND OR/NATURAL FEATURES:

This parcel is currently undeveloped. The site is relatively flat and has no distinct natural features.

COMPLIANCE WITH GENERAL PLAN: The proposed Zone Change from R-1 / Single Family Residential to P-U / Public Use is consistent with the Public/Quasi-Public/Open Space land use designation. This Zone Change will facilitate the conversion of this parcel for the future expansion of Pueblo Recreation Center Park.

ENVIRONMENTAL FINDINGS: Environmental issues relative to revision of the Planning and Land Use Code, Division 9 of the Torrance Municipal Code, for purposes of implementing the 2009 General Plan are considered to be previously assessed by the Final Environmental Impact Report (EIR) for the 2009 Torrance General Plan Update (Notice of Determination, State Clearinghouse Number 2008111046) as certified by the Torrance City Council on April 6, 2010, by Resolution No. 2010-29. The General Plan EIR is a program EIR as provided for by the California Environmental Quality Act; as written its scope of environmental analysis specifically includes revision of the Planning and Land Use Code for implementation and consistency with the General Plan.

The subject zone changes will implement the General Plan by bringing consistency between zoning and the land use goals, objectives, policies and programs of the General Plan.

After the Planning Commission has reviewed this item, it will automatically be presented to the City Council for approval.

PROJECT RECOMMENDATION: Staff recommends that the Planning Commission recommend to the City Council approval of the Zone Change from R-1 / Single Family Residential to P-U / Public Use.

FINDINGS OF FACT IN SUPPORT OF APPROVAL: Findings of fact in support of approval will be set forth in the draft Ordinance going to City Council
