Members of the Council:

SUBJECT: Community Development - Appoint Council Member to the South Bay Bicycle Master Plan Blue Ribbon Committee

RECOMMENDATION

Recommendation of the Community Development Director that the Mayor appoint a Council Member to the Blue Ribbon Advisory Committee of the South Bay Bicycle Master Plan.

Funding

Not applicable.

BACKGROUND AND ANALYSIS

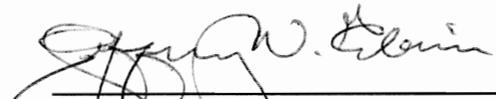

On September 28, 2010, the City Council adopted Resolution 2010-95 to support the Los Angeles County Bicycle Coalition (LACBC) with their efforts to create a South Bay Bicycle Master Plan through a grant from the Los Angeles County Department of Public Health.

City Staff from various departments will be providing assistance as needed towards this effort to create a Bicycle Master plan for Torrance and other participating South Bay Cities. As part of the grant, the LACBC has requested that a City Council Member serve on a volunteer committee to review and discuss bikeway issues and ideas.

The Blue Ribbon meetings will be held monthly in the evenings. The location of these meetings will likely rotate through each of the seven participating cities. The purpose of the meetings is to obtain policy-maker input into the plan, and to represent the rest of the Councils' ideas. The first meeting will be at the end of October or early November 2010. The grant term runs through April of 2012.

It is the policy of the City Council that the Mayor appoints the Council member to a Blue Ribbon committee.
