

Honorable Mayor and Members
of the City Council
City Hall
Torrance, California

Members of the Council:

SUBJECT: Public Works – Appropriation and transfer of funds and award of Consulting Services Agreement for the Del Amo Boulevard Extension, T-30, ESPLRSTP 5249-(021). Expenditure: \$84,060

RECOMMENDATION

Recommendation of the Public Works Director that City Council:

1. Appropriate \$285,389.86 from the Transportation Impact Fee Program Fund to the Del Amo Boulevard Extension, T-30; and
2. Approve a budget transfer of \$285,389.86 of General funds from the Del Amo Boulevard Extension, T-30 to the City's slurry seal program; and
3. Award a Consulting Services Agreement in the amount of \$84,060 for a term through December 31, 2013 to Labelle-Marvin, Inc. to perform materials testing and paving inspection services for the Del Amo Boulevard Extension, T-30; Federal Project No. ESPLRSTP 5249-(021).

Funding

Funding for the appropriation is available from the Transportation Impact Fee Program. Funding for the budget transfer is available from the T-30 General Fund appropriation. Funding for the Consulting Services Agreement is available from grant funds (Account 3507) previously appropriated to the Del Amo Boulevard Extension, T-30.

BACKGROUND AND ANALYSIS

Transportation Impact Fee Program

In August 2005, the City Council approved the Transportation Impact Fee Program. This program charges a fee to the applicant of an approved development project to pay a portion of the cost of public transportation facilities related to the project. Public transportation facilities are those identified by the City needed to meet increased demand for services resulting from new development in the City.

To date, the City has collected \$285,389.86 of Transportation Impact Fees. These funds must be spent on a qualifying City project(s) within 5 years of being collected, otherwise, the funds must be returned to the applicant. Of the \$285,389.86 collected to date, a total of \$118,150.53 must be expended by June 30, 2011.

The Del Amo Boulevard Extension, T-30 ("T-30 Project") is a needed transportation facility

and qualifies for the use of funds from the Transportation Impact Fee Program. If the \$285,389.86 appropriation of the Transportation Impact Fees to the T-30 Project is approved, staff will be able to timely spend the \$118,150.53 on construction phase costs meeting the June 30, 2011 deadline. Furthermore, staff also will be able to expend the remaining portion of Transportation Impact Fees on the T-30 Project thus meeting all deadlines for expenditure of the funds.

Budget Transfer

If Your Honorable Body approves the appropriation of \$285,389.86 from the Transportation Impact Fee Program to the T-30 Project, it will make available an equivalent amount of General funds from the T-30 Project that can be transferred to the City's slurry seal program. If approved, the T-30 General Fund appropriation would decrease from \$507,129.53 to \$221,739.67.

Consulting Services Agreement – Labelle-Marvin

In September 2010, Your Honorable Body approved a Public Works Agreement with SEMA Construction, Inc. to construct the T-30 Project. Construction of the T-30 project requires materials testing and paving inspection services as a part of our quality control effort. It also is a requirement for using the approximately \$10.1M of federal-aid funds, previously approved for the T-30 Project. Labelle-Marvin has previously and successfully performed these services for many City roadway construction projects, including the Torrance Boulevard Rehabilitation, Sepulveda Boulevard Rehabilitation, Artesia Boulevard Street Improvement, 190th Street Rehabilitation (Prairie Avenue to Van Ness Avenue) and other projects. Labelle-Marvin is again considered the most qualified to provide similar services for construction of the T-30 Project.

It should be noted that the term of the proposed Agreement with Labelle-Marvin is until December 31, 2013. This is to accommodate the long construction schedule and to allow sufficient time to conduct additional materials testing and prepare any additional reports after construction that may be needed due to the use of federal funds. The proposed Consulting Services Agreement with Labelle-Marvin includes the needed materials testing and paving inspection services. Preliminary construction activities have begun and it is expected that the major construction activities will begin in February 2011.

Respectfully submitted,

CONSULTING SERVICES AGREEMENT

This CONSULTING SERVICES AGREEMENT (“Agreement”) is made and entered into as of _____ (the “Effective Date”), by and between the CITY OF TORRANCE, a municipal corporation (“CITY”), and Labelle Marvin, Inc., a California Corporation (“CONSULTANT”).

RECITALS:

- A. CITY wishes to retain the services of an experienced and qualified CONSULTANT to provide materials testing and paving inspection services for the Del Amo Boulevard Extension, T-30; FEDERAL PROJECT NO. ESPLRSTP 5249-(021).
- B. CONSULTANT represents that it is qualified to perform those services.

AGREEMENT:

1. SERVICES TO BE PERFORMED BY CONSULTANT

CONSULTANT will provide the services listed in the Scope of Services and Compensation Schedule attached as Exhibit A. CONSULTANT warrants that all work and services set forth in the Scope of Services and Compensation Schedule will be performed in a competent, professional and satisfactory manner.

2. TERM

Unless earlier terminated in accordance with Paragraph 4 below, this Agreement will continue in full force and effect from the Effective Date through December 31, 2013.

3. COMPENSATION

- A. CONSULTANT’s Fee.

For services rendered pursuant to this Agreement, CONSULTANT will be paid in accordance with the Scope of Services and Compensation Schedule attached as Exhibit A, provided, however, that in no event will the total amount of money paid the CONSULTANT, for services initially contemplated by this Agreement, exceed the sum of \$84,060 (“Agreement Sum”), unless otherwise first approved in writing by CITY.

- B. Schedule of Payment.

Provided that the CONSULTANT is not in default under the terms of this Agreement, upon presentation of an invoice, CONSULTANT will be paid monthly the fees described in Paragraph 3.A. above, according to the Compensation Schedule. Payment will be due within 30 days after the date of the monthly invoice.

4. TERMINATION OF AGREEMENT

- A. Termination by CITY for Convenience.

1. CITY may, at any time, terminate the Agreement for CITY's convenience and without cause.
2. Upon receipt of written notice from CITY of such termination for CITY's convenience, CONSULTANT will:
 - a. cease operations as directed by CITY in the notice;
 - b. take actions necessary, or that CITY may direct, for the protection and preservation of the work; and
 - c. except for work directed to be performed prior to the effective date of termination stated in the notice, terminate all existing subcontracts and purchase orders and enter into no further subcontracts and purchase orders.
3. In case of such termination for CITY's convenience, CONSULTANT will be entitled to receive payment for work executed; and costs incurred by reason of such termination, along with reasonable overhead and profit on the work not executed.

B. Termination for Cause.

1. If either party fails to perform any term, covenant or condition in this Agreement and that failure continues for 15 calendar days after the nondefaulting party gives the defaulting party written notice of the failure to perform, this Agreement may be terminated for cause; provided, however, that if during the notice period the defaulting party has promptly commenced and continues diligent efforts to remedy the default, the defaulting party will have such additional time as is reasonably necessary to remedy the default.
2. In the event this Agreement is terminated for cause by the default of the CONSULTANT, the CITY may, at the expense of the CONSULTANT and its surety, complete this Agreement or cause it to be completed. Any check or bond delivered to the CITY in connection with this Agreement, and the money payable thereon, will be forfeited to and remain the property of the CITY. All moneys due the CONSULTANT under the terms of this Agreement will be retained by the CITY, but the retention will not release the CONSULTANT and its surety from liability for the default. Under these circumstances, however, the CONSULTANT and its surety will be credited with the amount of money retained, toward any amount by which the cost of completion exceeds the Agreement Sum and any amount authorized for extra services.
3. Termination for cause will not affect or terminate any of the rights of the CITY as against the CONSULTANT or its surety then existing, or which may thereafter accrue because of the default; this provision is in addition to all other rights and remedies available to the CITY under law.

C. Termination for Breach of Law.

In the event the CONSULTANT or any of its officers, directors, shareholders, employees, agents, subsidiaries or affiliates is convicted (i) of a criminal offense as an incident to obtaining or attempting to obtain a public or private contract or subcontract, or in the performance of a contract or subcontract; (ii) under state or federal statutes of embezzlement, theft, forgery, bribery, falsification or destruction of records, receiving stolen property, or any other offense indicating a lack of business integrity or business honesty which currently, seriously, and directly affects responsibility as a public consultant or contractor; (iii) under state or federal antitrust statutes arising out of the submission of bids or proposals; or (iv) of violation of Paragraph 19 of this Agreement; or for any other cause the CITY determines to be so serious and compelling as to affect CONSULTANT's responsibility as a public consultant or contractor, including but not limited to, debarment by another governmental agency, then the CITY reserves the unilateral right to terminate this Agreement or to impose such other sanctions (which may include financial sanctions, temporary suspensions or any other condition deemed appropriate short of termination) as it deems proper. The CITY will not take action until CONSULTANT has been given notice and an opportunity to present evidence in mitigation.

5. **FORCE MAJEURE**

If any party fails to perform its obligations because of strikes, lockouts, labor disputes, embargoes, acts of God, inability to obtain labor or materials or reasonable substitutes for labor or materials, governmental restrictions, governmental regulations, governmental control, judicial orders, enemy or hostile governmental action, civil commotion, fire or other casualty, or other causes beyond the reasonable control of the party obligated to perform, then that party's performance shall be excused for a period equal to the period of such cause for failure to perform.

6. **RETENTION OF FUNDS**

CONSULTANT authorizes CITY to deduct from any amount payable to CONSULTANT (whether or not arising out of this Agreement) any amounts the payment of which may be in dispute or that are necessary to compensate CITY for any losses, costs, liabilities, or damages suffered by CITY, and all amounts for which CITY may be liable to third parties, by reason of CONSULTANT's negligent acts or omissions or willful misconduct in performing or failing to perform CONSULTANT's obligations under this Agreement. In the event that any claim is made by a third party, the amount or validity of which is disputed by CONSULTANT, or any indebtedness exists that appears to be the basis for a claim of lien, CITY may withhold from any payment due, without liability for interest because of the withholding, an amount sufficient to cover the claim. The failure of CITY to exercise the right to deduct or to withhold will not, however, affect the obligations of CONSULTANT to insure, indemnify, and protect CITY as elsewhere provided in this Agreement.

7. **CITY REPRESENTATIVE**

The Public Works Director is designated as the “City Representative,” authorized to act in its behalf with respect to the work and services specified in this Agreement and to make all decisions in connection with this Agreement. Whenever approval, directions, or other actions are required by CITY under this Agreement, those actions will be taken by the City Representative, unless otherwise stated. The City Manager has the right to designate another City Representative at any time, by providing notice to CONSULTANT.

8. **CONSULTANT REPRESENTATIVE(S)**

The following principal(s) of CONSULTANT are designated as being the principal(s) and representative(s) of CONSULTANT authorized to act in its behalf with respect to the work specified in this Agreement and make all decisions in connection with this Agreement:

Steven R. Marvin, President

9. **INDEPENDENT CONTRACTOR**

The CONSULTANT is, and at all times will remain as to CITY, a wholly independent contractor. Neither CITY nor any of its agents will have control over the conduct of the CONSULTANT or any of the CONSULTANT’s employees, except as otherwise set forth in this Agreement. The CONSULTANT may not, at any time or in any manner, represent that it or any of its agents or employees are in any manner agents or employees of CITY.

10. **BUSINESS LICENSE**

The CONSULTANT must obtain a City business license prior to the start of work under this Agreement, unless CONSULTANT is qualified for an exemption.

11. **OTHER LICENSES AND PERMITS**

CONSULTANT warrants that it has all professional, contracting and other permits and licenses required to undertake the work contemplated by this Agreement.

12. **FAMILIARITY WITH WORK**

By executing this Agreement, CONSULTANT warrants that CONSULTANT (a) has thoroughly investigated and considered the scope of services to be performed, (b) has carefully considered how the services should be performed, and (c) fully understands the facilities, difficulties and restrictions attending performance of the services under this Agreement. If the services involve work upon any site, CONSULTANT warrants that CONSULTANT has or will investigate the site and is or will be fully acquainted with the conditions there existing, prior to commencement of services set forth in this Agreement. Should CONSULTANT discover any latent or unknown conditions that will materially affect the performance of the services set forth in this Agreement, CONSULTANT must immediately inform CITY of that fact and may not proceed except at CONSULTANT’s risk until written instructions are received from CITY.

13. **CARE OF WORK**

CONSULTANT must adopt reasonable methods during the term of the Agreement to furnish continuous protection to the work, and the equipment, materials, papers, documents, plans, studies and other components to prevent losses or damages, and will be responsible for all damages, to persons or property, until acceptance of the work by CITY, except those losses or damages as may be caused by CITY's own negligence.

14. **CONSULTANT'S ACCOUNTING RECORDS; OTHER PROJECT RECORDS**

Records of the CONSULTANT's time pertaining to the project, and records of accounts between CITY and the CONSULTANT, will be kept on a generally recognized accounting basis. CONSULTANT will also maintain all other records, including without limitation specifications, drawings, progress reports and the like, relating to the project. All records will be available to CITY during normal working hours. CONSULTANT will maintain these records for three years after final payment.

15. **INDEMNIFICATION**

CONSULTANT will indemnify, defend, and hold harmless CITY, the Redevelopment Agency of the City of Torrance, the City Council, each member thereof, present and future, members of boards and commissions, its officers, agents, employees and volunteers from and against any and all liability, expenses, including defense costs and legal fees, and claims for damages whatsoever, arising out of, pertaining to, or relating to the negligence, recklessness, or willful misconduct of the CONSULTANT, including, without limitation those arising from the breach of contract, bodily injury, death, personal injury, property damage, loss of use, or property loss. The obligation to indemnify, defend and hold harmless includes, but is not limited to, any liability or expense, including defense costs and legal fees, arising from the negligent acts or omissions, or willful misconduct of CONSULTANT, its officers, employees, agents, subcontractors or vendors. It is further agreed, CONSULTANT's obligations to indemnify, defend and hold harmless will apply to the extent of CONSULTANT's contributing negligence, recklessness, or willful misconduct even in the event of concurrent negligence on the part of CITY, the City council, each member thereof, present and future, or its officers, agents and employees. Payment by CITY is not a condition precedent to enforcement of this indemnity. In the event of any dispute between CONSULTANT and CITY, as to whether liability arises from the concurrent negligence of the CITY or its officers, employees, agents, subcontractors or vendors, CONSULTANT will be obligated to pay for City's defense until such time as a final judgment has been entered adjudicating the CITY's share of responsibility. CONSULTANT will be entitled in the event of a determination of CITY's responsibility to reimbursement of defense costs including but not limited to attorney's fees, expert fees and costs of litigation reflecting the CITY's proportionate share of such expenses.

16. **NON-LIABILITY OF CITY OFFICERS AND EMPLOYEES**

No officer or employee of CITY will be personally liable to CONSULTANT, in the event of any default or breach by the CITY or for any amount that may become due to CONSULTANT.

17. INSURANCE

- A. CONSULTANT must maintain at its sole expense the following insurance, which will be full coverage not subject to self insurance provisions:

Insurance or bonds required by this Agreement will be satisfactory only if issued by companies admitted to do business in California, rated "B+" or better in the most recent edition of Best's Key Rating Guide, and only if they are of a financial category Class VII or better, unless these requirements are waived by the Risk Manager of CITY ("Risk Manager") due to unique circumstances. In the event the Risk Manager determines that the work or services to be performed under this Agreement creates an increased or decreased risk of loss to CITY, the CONSULTANT agrees that the minimum limits of

any insurance policies or performance bonds required by this Agreement may be changed accordingly upon receipt of written notice from the Risk Manager; provided that CONSULTANT will have the right to appeal a determination of increased coverage by the Risk Manager to the City Council of CITY within 10 days of receipt of notice from the Risk Manager.
