

Honorable Mayor and Members  
of the City Council of the City of Torrance  
City Hall  
Torrance, California

**Members of the Council:**

**SUBJECT: ACCEPTANCE OF REAL PROPERTY, FIXED ASSETS, AND AGREEMENTS FROM THE REDEVELOPMENT AGENCY OF THE CITY OF TORRANCE.**

**RECOMMENDATION**

The City Manager recommends that the City Council adopt a **RESOLUTION** authorizing the Mayor to Execute, the City Clerk to Attest and to cause to be notarized and to record, where necessary, all documents associated with the acceptance of the conveyance of all real property, fixed assets and agreements from the Redevelopment Agency of the City of Torrance to the City of Torrance, subject to applicable covenants and restrictions required by the Community Redevelopment Law, as listed in Attachment A. **COMPANION ITEM TO 4A**

**FUNDING**

Funding is not required for this item.

**BACKGROUND**

The Redevelopment Agency of the City of Torrance has three active redevelopment project areas; Skypark, Industrial and Downtown. These areas were identified per the State redevelopment law as in need of redevelopment and the areas were established using the methodology established by the State to create redevelopment project areas.

As discussed in the companion item from the Redevelopment Agency, the State of California continues to find itself with a constant annualized budget deficit in the billions of dollars. Governor Brown has proposed several draconian measures as a means to cure the structural deficit in the state's budget going forward. Part of the Governor's proposal is the elimination of Redevelopment Agencies and tax increment throughout the state and the redistribution of funds and revenues back to the state for one year; in subsequent years funds would be distributed to counties, cities and school districts based on our regular years property tax allocations. Further, the elimination of the Redevelopment Agencies

would place ownership of Agency owned parcels in the control of the State and not the Agency or the City of Torrance. This reduces local control of these properties and reduces our ability to carry out the mission established by the Agency to create housing and redevelop areas of blight identified in the plans for our redevelopment areas.

Therefore the actions before Your Honorable Body this evening are to enter into a Cooperation Agreement that both incorporates the Redevelopment Agency's project list contained in its 5-year Implementation Plan (Companion Item 4A), accept the transfer of Agency assets to the City of Torrance and provide for the continued operation of various other agreements, obligations and assets that satisfy the purposes of the Community Redevelopment Law. This may not guarantee protection of the Agency's tax increment revenues needed to fund the identified projects but at this time it is the only vehicle that could secure our funds.

The proposed actions by the State Legislature make it important for agencies with title to real estate or other tangible assets to transfer those agreements, obligations and properties/assets to their host city, and for the City to accept the same.

## **ANALYSIS**

### **Transfer of Properties**

In conformance with redevelopment law, Agency owned properties may be transferred to the City of Torrance. The City is authorized to cooperate and assist the Agency in implementing its adopted Redevelopment Plan (e.g. Health and Safety Code Section 33220). In addition, redevelopment law does not require the Agency to have legal title to real property it assists in redeveloping. In fact, redevelopment law expressly contemplates the Agency's conveyance of property to the County (Health and Safety Code Section 33432). The transfers of property will be subject to terms that will ensure that those properties that have not already been redeveloped will be redeveloped in accordance with the same rules that would apply if the Agency still owned them, and the transfers of property that already have been redeveloped are consistent with provisions of the redevelopment law that prohibit the Agency from paying for routine maintenance of publicly-owned property (Health and Safety Code Section 33445.)

Therefore, Staff recommends that those agreements, obligations and property/assets, including all Leases, be accepted from the Redevelopment Agency to the City of Torrance, at no cost to the City.

The properties to be transferred are as follows:

### QUITCLAIM DEED

FOR A VALUABLE CONSIDERATION, receipt of which is hereby acknowledged, the REDEVELOPMENT AGENCY OF THE CITY OF TORRANCE, a public body, corporate and politic ("Grantor"), does hereby remise, release and forever quitclaim to the CITY OF TORRANCE, a California municipal corporation ("Grantee"), all of Grantor's right, title and interest in and to certain real property described as follows (the "Property"):

Refer to Exhibit "A" attached hereto and incorporated herein by this reference.

Grantee acknowledges and agrees that the Property is granted by the Grantor to the Grantee in its "AS IS," "WHERE IS" and "SUBJECT TO ALL FAULTS CONDITION," as of the date of recordation of this Quitclaim Deed, with no warranties, expressed or implied, as to the environmental or other physical condition of the Property, the presence or absence of any patent or latent environmental or other physical condition on or in the Property, or other matters affecting the Property.

Grantor's conveyance of the Property is further subject to the following conditions, covenants and restriction as required by the Community Redevelopment Law, Health and Safety Code section 33000 *et seq.* (the "CRL"):

Section 1: CRL Requirement. Grantee understands and agrees that Health and Safety Code Sections 33435 and 33436 require lessees and purchasers of real property acquired in redevelopment projects and owners of real property improved as a part of a redevelopment project to refrain from discrimination and to include certain nondiscrimination clauses in deeds, leases, and contracts.

Section 2: Duty Not to Discriminate. In addition to any other nondiscrimination provisions applicable to the Property under federal, state or local law, the following nondiscrimination provisions apply:

(a) There shall be no discrimination against, or segregation of, any persons, or group of persons, on account of any basis listed in subdivision (a) or (d) of Section 12955 of the Government Code, as those bases are defined in Sections 12926, 12926.1, subdivision (m) and

paragraph (1) of subdivision (p) of Section 12955, and Section 12955.2 of the Government Code, in the sale, lease, or rental, or in the use, occupancy, or enjoyment of the Property, nor shall Grantee itself, or any person claiming under or through it, establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use, or occupancy of tenants, lessees, subtenants, sublessees, or vendees of the Property or any portion thereof. The foregoing covenants shall run with the Property and shall remain in effect in perpetuity.

(b) Notwithstanding subsection (a) above, with respect to familial status, subsection (a) above shall not be construed to apply to housing for older persons, as defined in Section 12955.9 of the Government Code. With respect to familial status, nothing in subsection (a) above shall be construed to affect Sections 51.2, 51.3, 51.4, 51.10, 51.11, and 799.5 of the Civil Code, relating to housing for senior citizens. Subdivision (d) of Section 51 and Section 1360 of the Civil Code and subdivisions (n), (o), and (p) of Section 12955 of the Government Code, shall apply to subsection (a) above.

Section 3: Form of Nondiscrimination and Nonsegregation Clauses. All deeds, leases or contracts for the Property shall contain or be subject to substantially the following nondiscrimination or nonsegregation clauses:

3.1 Deeds. In deeds, language shall appear in substantially the following form:

(a) “The grantee herein covenants by and for himself or herself, his or her heirs, executors, administrators and assigns, and all persons claiming under or through him or her, and this lease is made and accepted upon and subject to the following conditions: There shall be no discrimination against or segregation of any person or group of persons on account of any basis listed in subdivision (a) or (d) of Section 12955 of the Government Code, as those bases are defined in Sections 12926, 12926.1, subdivision (m) and paragraph (1) of subdivision (p) of Section 12955, and Section 12955.2 of the Government Code, in the sale, leasing, subleasing, transferring, use, occupancy, tenure or enjoyment of the premises herein leased nor shall the lessee himself or herself, or any person claiming under or through him or her, establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, sublessees, subtenants or vendees in the premises herein conveyed. The foregoing covenants shall run with the land.”
