

Council Meeting of
May 11, 2011

Honorable Mayor and Members
of the City Council
City Hall
Torrance, California

Members of the Council:

SUBJECT: City Manager - Approve agreement amendment for CORE training services.

Expenditure: None

RECOMMENDATION

Recommendation of the City Manager that City Council approve a second amendment to the agreement with El Camino College District (C2009-070) to extend the term from July 1, 2011 to December 31, 2012 for CORE training services.

Background

In Fiscal Year 2006-07, City Council approved funding for the creation of a city-wide training and development program. The objective of the program is to invest in: a) readying employees for advancement within the organization, b) continued education for supervisors and managers, and c) enhancing current work techniques for all employees which will in turn deliver quality services to our community.

Based on the research from both external training programs and the input received from our organizations' employees, the training staff designed the Torrance University Training and Development Program anchored with three components: basic training (CORE), technical training and supervisory development (GEAR UP), and leadership development (STEP UP). The program was designed to align with the priorities and goals of the strategic plan, and the community's mission, vision, and values statements were considered to ensure training alignment.

On April 7, 2009, City Council approved a 15 month contract with El Camino College District in the amount of \$130,000 to provide CORE training in the areas of: customer service, communication and ethics. The other components of CORE include: municipal governance and budget which is taught by City staff.

On May 11, 2010, City Council approved a contract amendment with El Camino College for CORE training services for an additional amount of \$129,000 with a new not to exceed total contract amount of \$259,000 and to extend the contract through June 30, 2011. The item stated that it would require a two and a half year period to complete CORE training for 1,400 employees.

ANALYSIS

As of March 2011, a total of 557 employees completed CORE training. A total of 69 employees are currently enrolled in CORE training. By June 30, 2011, it is anticipated that 626 employees will have completed CORE training. El Camino College District will have met a CORE training goal of 45%.

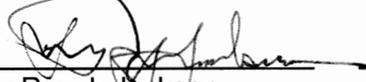

The second amendment to this agreement with El Camino College to extend the timeframe to December 31, 2012 will allow for completion of CORE training services for all 1,400 employees. No additional funding is needed for CORE training.

Respectfully submitted,

CONSULTING SERVICES AGREEMENT

This CONSULTING SERVICES AGREEMENT ("Agreement") is made and entered into as of April 7, 2009 (the "Effective Date"), by and between the CITY OF TORRANCE, a municipal corporation ("CITY"), and El Camino Community College District, ("CONSULTANT").

RECITALS:

- A. CITY wishes to retain the services of an experienced and qualified CONSULTANT to provide training services on ethics, customer service, and communication.
- B. CONSULTANT represents that it is qualified to perform those services.

AGREEMENT:

1. SERVICES TO BE PERFORMED BY CONSULTANT

CONSULTANT will provide the services listed in the Scope of Services attached as Exhibit A. CONSULTANT warrants that all work and services set forth in the Scope of Services will be performed in a competent, professional and satisfactory manner.

2. TERM

Unless earlier terminated in accordance with Paragraph 4 below, this Agreement will continue in full force and effect from the Effective Date through June 30, 2010.

3. COMPENSATION

- A. CONSULTANT's Fee.

For services rendered pursuant to this Agreement, CONSULTANT will be paid in accordance with the Compensation Schedule attached as Exhibit B, provided, however, that in no event will the total amount of money paid the CONSULTANT, for services initially contemplated by this Agreement, exceed the sum of \$130,000 ("Agreement Sum"), unless otherwise first approved in writing by CITY.

- B. Schedule of Payment.

Provided that the CONSULTANT is not in default under the terms of this Agreement, upon presentation of an invoice, CONSULTANT will be paid monthly the fees described in Paragraph 3.A. above, according to the Compensation Schedule. Payment will be due within 30 days after the date of the monthly invoice.

4. TERMINATION OF AGREEMENT

- A. Termination by CITY for Convenience.

- 1. CITY may, at any time, terminate the Agreement for CITY's convenience and without cause.

C 2 0 0 9 - 0 7 0

**ORIGINAL
COPY**

2. Upon receipt of written notice from CITY of such termination for CITY's convenience, CONSULTANT will:
 - a. cease operations as directed by CITY in the notice;
 - b. take actions necessary, or that CITY may direct, for the protection and preservation of the work; and
 - c. except for work directed to be performed prior to the effective date of termination stated in the notice, terminate all existing subcontracts and purchase orders and enter into no further subcontracts and purchase orders.
3. In case of such termination for CITY's convenience, CONSULTANT will be entitled to receive payment for work executed; and costs incurred by reason of such termination, along with reasonable overhead and profit on the work not executed.

B. Termination for Cause.

1. If either party fails to perform any term, covenant or condition in this Agreement and that failure continues for 15 calendar days after the nondefaulting party gives the defaulting party written notice of the failure to perform, this Agreement may be terminated for cause; provided, however, that if during the notice period the defaulting party has promptly commenced and continues diligent efforts to remedy the default, the defaulting party will have such additional time as is reasonably necessary to remedy the default.
2. In the event this Agreement is terminated for cause by the default of the CONSULTANT, the CITY may, at the expense of the CONSULTANT and its surety, complete this Agreement or cause it to be completed. Any check or bond delivered to the CITY in connection with this Agreement, and the money payable thereon, will be forfeited to and remain the property of the CITY. All moneys due the CONSULTANT under the terms of this Agreement will be retained by the CITY, but the retention will not release the CONSULTANT and its surety from liability for the default. Under these circumstances, however, the CONSULTANT and its surety will be credited with the amount of money retained, toward any amount by which the cost of completion exceeds the Agreement Sum and any amount authorized for extra services.
3. Termination for cause will not affect or terminate any of the rights of the CITY as against the CONSULTANT or its surety then existing, or which may thereafter accrue because of the default; this provision is in addition to all other rights and remedies available to the CITY under law.

C. Termination for Breach of Law.

In the event the CONSULTANT or any of its officers, directors, shareholders,

employees, agents, subsidiaries or affiliates is convicted (i) of a criminal offense as an incident to obtaining or attempting to obtain a public or private contract or subcontract, or in the performance of a contract or subcontract; (ii) under state or federal statutes of embezzlement, theft, forgery, bribery, falsification or destruction of records, receiving stolen property, or any other offense indicating a lack of business integrity or business honesty which currently, seriously, and directly affects responsibility as a public consultant or contractor; (iii) under state or federal antitrust statutes arising out of the submission of bids or proposals; or (iv) of violation of Paragraph 19 of this Agreement; or for any other cause the CITY determines to be so serious and compelling as to affect CONSULTANT's responsibility as a public consultant or contractor, including but not limited to, debarment by another governmental agency, then the CITY reserves the unilateral right to terminate this Agreement or to impose such other sanctions (which may include financial sanctions, temporary suspensions or any other condition deemed appropriate short of termination) as it deems proper. The CITY will not take action until CONSULTANT has been given notice and an opportunity to present evidence in mitigation.

5. **FORCE MAJEURE**

If any party fails to perform its obligations because of strikes, lockouts, labor disputes, embargoes, acts of God, inability to obtain labor or materials or reasonable substitutes for labor or materials, governmental restrictions, governmental regulations, governmental control, judicial orders, enemy or hostile governmental action, civil commotion, fire or other casualty, or other causes beyond the reasonable control of the party obligated to perform, then that party's performance shall be excused for a period equal to the period of such cause for failure to perform.

6. **RETENTION OF FUNDS**

CONSULTANT authorizes CITY to deduct from any amount payable to CONSULTANT (whether or not arising out of this Agreement) any amounts the payment of which may be in dispute or that are necessary to compensate CITY for any losses, costs, liabilities, or damages suffered by CITY, and all amounts for which CITY may be liable to third parties, by reason of CONSULTANT's negligent acts or omissions or willful misconduct in performing or failing to perform CONSULTANT's obligations under this Agreement. In the event that any claim is made by a third party, the amount or validity of which is disputed by CONSULTANT, or any indebtedness exists that appears to be the basis for a claim of lien, CITY may withhold from any payment due, without liability for interest because of the withholding, an amount sufficient to cover the claim. The failure of CITY to exercise the right to deduct or to withhold will not, however, affect the obligations of CONSULTANT to insure, indemnify, and protect CITY as elsewhere provided in this Agreement.

7. **CITY REPRESENTATIVE**

Mary K. Giordano is designated as the "City Representative," authorized to act in its behalf with respect to the work and services specified in this Agreement and to make all decisions in connection with this Agreement. Whenever approval, directions, or other actions are required by CITY under this Agreement, those actions will be taken by the City Representative, unless otherwise stated. The City Manager has the right to designate another City Representative at any time, by providing notice to CONSULTANT.

8. **CONSULTANT REPRESENTATIVE(S)**

The following principal(s) of CONSULTANT are designated as being the principal(s) and representative(s) of CONSULTANT authorized to act in its behalf with respect to the work specified in this Agreement and make all decisions in connection with this Agreement:

Cristallea K. Byun

9. **INDEPENDENT CONTRACTOR**

The CONSULTANT is, and at all times will remain as to CITY, a wholly independent contractor. Neither CITY nor any of its agents will have control over the conduct of the CONSULTANT or any of the CONSULTANT's employees, except as otherwise set forth in this Agreement. The CONSULTANT may not, at any time or in any manner, represent that it or any of its agents or employees are in any manner agents or employees of CITY.

10. **BUSINESS LICENSE**

The CONSULTANT must obtain a City business license prior to the start of work under this Agreement, unless CONSULTANT is qualified for an exemption.

11. **OTHER LICENSES AND PERMITS**

CONSULTANT warrants that it has all professional, contracting and other permits and licenses required to undertake the work contemplated by this Agreement.

12. **FAMILIARITY WITH WORK**

By executing this Agreement, CONSULTANT warrants that CONSULTANT (a) has thoroughly investigated and considered the scope of services to be performed, (b) has carefully considered how the services should be performed, and (c) fully understands the facilities, difficulties and restrictions attending performance of the services under this Agreement. If the services involve work upon any site, CONSULTANT warrants that CONSULTANT has or will investigate the site and is or will be fully acquainted with the conditions there existing, prior to commencement of services set forth in this Agreement. Should CONSULTANT discover any latent or unknown conditions that will materially affect the performance of the services set forth in this Agreement, CONSULTANT must immediately inform CITY of that fact and may not proceed except at CONSULTANT's risk until written instructions are received from CITY.

13. **CARE OF WORK**

CONSULTANT must adopt reasonable methods during the term of the Agreement to furnish continuous protection to the work, and the equipment, materials, papers, documents, plans, studies and other components to prevent losses or damages, and will be responsible for all damages, to persons or property, until acceptance of the work by CITY, except those losses or damages as may be caused by CITY's own negligence.

14. **CONSULTANT'S ACCOUNTING RECORDS; OTHER PROJECT RECORDS**

Records of the CONSULTANT's time pertaining to the project, and records of accounts between CITY and the CONSULTANT, will be kept on a generally recognized accounting basis. CONSULTANT will also maintain all other records, including without limitation specifications, drawings, progress reports and the like, relating to the project. All records will be available to CITY during normal working hours. CONSULTANT will maintain these records for three years after final payment.

15. **INDEMNIFICATION**

CONSULTANT will indemnify, defend, and hold harmless CITY, the Redevelopment Agency of the City of Torrance, the City Council, each member thereof, present and future, members of boards and commissions, its officers, agents, employees and volunteers from and against any and all liability, expenses, including defense costs and legal fees, and claims for damages whatsoever, including, but not limited to, those arising from breach of contract, bodily injury, death, personal injury, property damage, loss of use, or property loss however the same may be caused and regardless of the responsibility for negligence. The obligation to indemnify, defend and hold harmless includes, but is not limited to, any liability or expense, including defense costs and legal fees, arising from the negligent acts or omissions, or willful misconduct of CONSULTANT, its officers, employees, agents, subcontractors or vendors. It is further agreed, CONSULTANT's obligations to indemnify, defend and hold harmless will apply even in the event of concurrent negligence on the part of CITY, the City Council, each member thereof, present and future, or its officers, agents and employees, except for liability resulting solely from the negligence or willful misconduct of CITY, its officers, employees or agents. Payment by CITY is not a condition precedent to enforcement of this indemnity. In the event of any dispute between CONSULTANT and CITY, as to whether liability arises from the sole negligence of the CITY or its officers, employees, agents, subcontractors or vendors, CONSULTANT will be obligated to pay for CITY's defense until such time as a final judgment has been entered adjudicating the CITY as solely negligent. CONSULTANT will not be entitled in the event of such a determination to any reimbursement of defense costs including but not limited to attorney's fees, expert fees and costs of litigation.

16. **NON-LIABILITY OF CITY OFFICERS AND EMPLOYEES**

No officer or employee of CITY will be personally liable to CONSULTANT, in the event of any default or breach by the CITY or for any amount that may become due to CONSULTANT.

Council Meeting
April 7, 2009

Honorable Mayor and Members
of the City Council
City Hall
Torrance, California

Members of the Council:

SUBJECT: City Manager – Approve a Contract with El Camino Community College for CORE Training Services

Expenditure: Not to exceed \$130,000

RECOMMENDATION

Recommendation of the City Manager that City Council approve a contract with El Camino Community College for CORE training services for an amount not to exceed \$130,000 through June 30, 2010.

Funding

Funding is available in the City Manager Office's training operating budget.

BACKGROUND AND ANALYSIS

The City Council approved funding for the creation of a city-wide training and development program in Fiscal Year 2006-07. The objective of the program is to invest in: a) reading employees for advancement within the organization, b) continued education for supervisors and managers, and c) enhancing current work techniques for all employees which will in turn deliver quality services to our community.

In Fiscal Year 2007-08, a Training Team was established and tasked with developing a comprehensive program. During this year, the Training Team conducted research of external organizations that have a training program to compare training industry standards and best practices. Following the external survey, the Team met with employee groups and management to identify current and anticipated training needs of the City's workforce. Additionally the program was designed to align with the priorities and goals of the strategic plan, and the community's mission, vision, and values statements were considered to ensure training alignment.

Based on the research from both external training programs and the input received from our organizations' employees, the training staff designed the Torrance University Training and Development Program anchored with three components: basic training (CORE), technical training and supervisor development (GEAR UP), and leadership development (STEP UP).

- **CORE Training** is the foundation of the city wide training and development program. It provides the essential elements for City employees to enhance delivery of quality service. The courses will include customer service, communication, ethics, and municipal governance.
- **GEAR UP** is a part of the program designed for career path development for employees interested in pursuing a supervisory position with classes to enhance technical skills, meet industry specific certifications, and teach supervision principles and practices.

- **STEP UP** is targeted to employees who have career goals in management and executive roles. The educational opportunities will cover topics which have an impact on the organization, such as legislation, economic outlook, and skills to develop their staff.

Note: The GEAR UP and STEP UP curriculum are under development.

During the course of Fiscal Year 2008-09, the training model and draft curriculum was presented to the employee groups and executive staff to solicit feedback that the program content was relevant. CORE is ready for implementation as noted. GEAR UP is in the planning phase for projected implementation in Spring 2010.

Staff has spent an intense effort into developing CORE Training to ensure curriculum that has been customized to meet the needs of the City of Torrance. Over ten training proposals were reviewed for content, training format, experience, costs, references and history with the city. Each vendor participated in an interview process with the Training Team. As a result of these efforts, El Camino Community College is recommended to deliver training in the areas of customer service, communication and ethics because of their expertise. City staff will instruct the course on municipal governance.

Staff is prepared to implement CORE Training, the first phase of the Torrance University Training and Development Program. The cost for El Camino Community College to train 1,400 employees is \$259,000. It is anticipated that it will require a two-year period for 1,400 employees to complete the CORE series. The contract submitted before Your Honorable Body for approval is to allocate \$130,000 for the first 15 months of implementation through the end of the Fiscal Year 2009-10.
