Hi Rotarians!

The City of Torrance "Staff" has recommended to the City Council not to renew Gerber Ambulance. Bob is in a battle to keep his business in Torrance. Please come to the Torrance City Hall tonight, Tuesday 7pm, to show your support for Bob and his company. If you can't make it please send emails to the email list below. You all know how important Torrance is to the survival of Bob's business and you also know how important Bob has been in supporting the city. Please let the council know!
